CASE STUDY 

When assessing the credibility of the complainant, which of the following might cause you to find the complainant less credible:

1. Complainant spent the night in respondent's room after the alleged assault
2. Complainant engaged in consensual sexual activity with respondent during the same incident
3. The police investigated the incident but did not press charges

Lathrop GPM,  73

CASE STUDY 

When assessing the credibility of the respondent, which of the following might cause you to find the respondent less credible:

SESSION OVERVIEW 

- Rape Myths
- Secondary Victimization
- Common Victim Responses
- Neurobiology of Sexual Assault
- How to serve impartially
 - Working with Complainant
 - Working with Respondent

Lathrop GPM,  75

RAPE MYTHS

Myth	Reality
Rape is primarily sexually motivated	Rape combines elements of power, anger and sexuality
Rapists are usually strangers	Most perpetrators are known to the victim
The victim did something to cause the rape	No behavior warrants being raped; under no circumstances can the victim be blamed
Acquaintance rape is not as traumatic	There are no differences in victim psychological symptoms between acquaintance and stranger rape

Lathrop GPM,  76

SECONDARY VICTIMIZATION

- Secondary victimization:
 - The attitudes, beliefs, and behaviors that victims experience as victim blaming and insensitive
 - It exacerbates their trauma, and it makes them feel like what they're experiencing is a second rape — hence the term "secondary victimization"

Lathrop GPM,  77

SECONDARY VICTIMIZATION

- Examples of behaviors:
 - Discouraging the victim from making the report
 - Telling victim it's not serious enough to pursue
 - Asking about dress, behavior, or what they might have done to provoke the assault
- Psychological impact on victims:
 - Blamed
 - Depressed
 - Anxious
 - Violated
 - Reluctant to seek help

Lathrop GPM,  78

COMMON VICTIM RESPONSES

- Initial denial of incident
- No reporting/delayed reporting
- Maintaining contact with perpetrator
- Fight, flight, or freeze

Brain Regions Impacted by Trauma

Cerebellum: A large ball of nerve fibers that controls balance, posture, eye movements, and body posture. It also has a role in the regulation of the brain.

Hypothalamus: The brain's control center for hunger, thirst, and body temperature.

Amygdala: Regulates emotions, fear, and aggression.

Hippocampus: The memory center of the brain.

Prefrontal cortex: The largest part of the brain, it is responsible for planning, decision-making, and controlling emotions.

Basal ganglia: A control system for movement and cognitive functions.

Brainstem: Controls breathing, heartbeat, and digestion.

Hippocampus processes information into memories

Encoding = Organizing sensory information

Consolidation = Grouping information into memories and storing them

Amygdala specializes in the processing of emotional memories (works with the hippocampus)

NEUROBIOLOGY OF SEXUAL ASSAULT

Tonic Immobility (TI)

- AKA: "Rape-induced paralysis"
- Autonomic (uncontrollable) mammalian response in extremely fearful situations
- Increased breathing, eye closure, paralysis

Case Study: Memory Fragmentation

- 25 year-old woman
- Raped by a friend's brother at 4th July party
- Filed police report
- Detective interview was when it all went to hell

"He wouldn't let up, pounding me with question after question after question. Trying to trick me, trying to get me to mess up. I wanted to say, 'hold on, give me a minute to think'. No, he kept coming at me."

I: Were you worried that if you gave her some time, she'd just make something up?

R: Nah, not really. I mean, some victims lie, but most don't. Besides, if they're lying, we'll catch 'em at it eventually. I think it's just hard for victims to talk about and we just need to have a little patience.

Lathrop GPM,  98

IMPACT OF TRAUMA ON MEMORY 

- Memories accurately stored
- Memory recall slow
- Fragmented account
- Concentration difficult
- Alcohol exception—may impact storage and accuracy of memories

Lathrop GPM,  99

SENSORY DETAILS

- Victims of trauma may be able to recount vivid sensory details, including certain things the victim saw, heard, or smelled during the assault
- These details could provide more information about the incident and may help clarify the victim's memory
- Use open-ended questions
 - What can you recall about what happened?
- May also use sensory-based questions
 - What did you see?
 - What did you hear?
 - What did you smell?
 - What did you taste?
 - What did you touch?

Lathrop GPM,  100

IMPACT OF CULTURE

- Cultural background is one of many factors that may impact the way that complainant, respondent, and witnesses react to the incident and present during the investigation interviews
- Different cultural backgrounds will influence individuals in different ways
- Be aware of and sensitive to possible cultural influences
- Incorporate training as appropriate

Lathrop GPM,  101

TRAUMA-INFORMED APPROACH GONE WRONG

- University of Mississippi lawsuit based in part on its training materials
 - Victims sometimes withhold facts and lie about details
 - Victims lie about anything that casts doubt on their account of the event
 - When complainants withhold exculpatory details or lie to an investigator or the hearing panel, the lies should be considered a side effect of an assault
- A trauma-informed approach should not unfairly favor the complainant or prejudice the decision-maker against the respondent

Lathrop GPM,  102

TAKE AWAY 

- Do not automatically draw negative inference based on a behavior that may be a response to trauma
- If an individual exhibits behaviors associated with trauma, it does not automatically mean that individual experienced trauma
- A response consistent or inconsistent with a typical trauma response should not in and of itself be outcome determinative

Lathrop GPM  103

SERVING IMPARTIALLY 

- Avoid prejudgment of the facts at issue
- Avoid conflicts of interest
- Avoid bias
- Avoid appearing to agree with either party's account

Lathrop GPM  104

SERVING IMPARTIALLY 

- Set boundaries
 - Make objective role clear up front
 - Not counseling
 - Differentiate from your other roles within institution
 - Know how to respond when coming close to line
 - Point to resources on campus

Lathrop GPM  105

SERVING IMPARTIALLY 

- Separate support/advocacy services from investigation/adjudication process 
- Conflation of roles can:
 - Impact thorough assessment of the facts
 - Create distrust/confusion by complainant
 - Give appearance of bias/lack of impartiality

Lathrop GPM,  106

SERVING IMPARTIALLY — WORKING WITH COMPLAINANT 

- Slow down
- Make him/her feel comfortable
- Consider timing and locations
- Allow sufficient time for thorough exploration of the issues 
- Develop rapport and allow for closure
- Explain process
- Remind the complainant of the ability to ask questions and present information during the entire process

Lathrop GPM,  107

SERVING IMPARTIALLY — WORKING WITH COMPLAINANT 

- Recognize the impact of trauma on memory
 - Allow the complainant to give a narrative
 - Use open-ended free recall questions
 - Build in an opportunity for follow-up
 - Allow a written narrative if that is more comfortable
- Memory may be impaired by alcohol
- Use “account” or “experience” rather than “story”
- Allow advisor to be present
- Avoid secondary victimization
- Be transparent about how information will be used

Lathrop GPM,  108

SERVING IMPARTIALLY — WORKING WITH RESPONDENT 

- Recognize stress involved with being accused of sexual misconduct
 - He/she may be defensive
 - He/she may be nervous or uncomfortable
- Explain fair and equitable process
- Do not appear to take sides
- Use impartial language
- Afford same opportunity to provide narrative of experience, to provide physical or other evidence, etc.
- Memory may be impaired by alcohol

SERVING IMPARTIALLY — WORKING WITH RESPONDENT 

- Remind the respondent of the ability to ask questions and present information during the entire process
- Ensure the respondent is fully aware of the process and prohibition against retaliation
- Be transparent about how information will be used
- Allow advisor to be present

COMMUNICATION 

- Identify contact person who will coordinate with multiple departments/people on complainant's/respondent's behalf
- Ensure regular and timely communications to both parties regarding: next steps, expectations, timing, and delays
- Ensure that parties have notice of all meetings
- Document all communications, including phone calls
- Use sensitive and informed tone and content, both to the parties and among team members

Lathrop GPM,  119

DIFFERENCES BETWEEN CRIMINAL AND INSTITUTIONAL INVESTIGATIONS

CASE STUDY 

Sexual Misconduct Complaint Form

COMPLAINANT NAME: Ashley Anderson

ADDRESS: 1234 Oak Ridge Drive

DATE OF REPORT OF ALLEGED POLICY VIOLATION: September 15, 2020

RESPONDENT NAME: Nick Newman

ADDRESS: 999 Off-Campus Lane

ALLEGATIONS:
On July 24, 2020, Nick Newman sexually harassed and sexually assaulted me. At the time, Nick and I were in a dating relationship. On the night of July 24, I walked into Nick's apartment and saw him showing several of his friends topless pictures of me without my consent. Later in the night, after getting really drunk, Nick and I went back to my apartment. At my apartment, Nick touched my breasts and had sex with me without my consent. Even though I said "no" several times, Nick continued to touch me and eventually had sex with me. I was too drunk to consent to anything that happened.

CASE STUDY

Excerpt of Notice of Allegations

On September 15, 2020, a formal complaint of alleged sexual misconduct was submitted by Ashley Anderson to Title IX Coordinator, Beth Baker. In her formal complaint Ashley alleged that on or around July 24, 2020, Nick Newman sexually harassed and sexually assaulted her. Ashley alleged that while they were at Nick's off-campus apartment, Nick engaged in sexual harassment including showing partially nude pictures of Ashley to his friends and making harassing comments. Ashley alleged that later in the night, while they were at her apartment in the University's Oak Ridge apartment complex, Nick engaged in non-consensual sexual contact and non-consensual sexual penetration of Ashley.

Lathrop GPM,  133

CASE STUDY – DEFINITION OF TITLE IX SEXUAL HARASSMENT

Title IX Hostile Environment Harassment is unwelcome conduct on the basis of sex determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University's education program or activity.

For the purposes of the definition of Title IX Hostile Environment Harassment, reasonable person means a reasonable person in the shoes of the complainant, considering the ages, abilities, and relative positions of authority of the individuals involved in an incident.

Lathrop GPM,  134

CASE STUDY – DEFINITION OF NON-TITLE IX SEXUAL HARASSMENT

- As used in this Policy, Non-Title IX Sexual Harassment is unwelcome conduct of a sexual nature or based on sex, including sexual advances, requests for sexual favors, offensive comments or other conduct based on sex, sexually motivated physical contact, or other verbal, nonverbal, or physical conduct or communication of a sexual nature, when:
 - such conduct has the purpose or effect of substantially and unreasonably interfering with an individual's employment or education, or of creating an intimidating, hostile, or offensive employment or educational environment ("hostile environment" harassment).

Lathrop GPM,  135

CASE STUDY—DEFINITION OF SEXUAL ASSAULT 

Sexual assault is any actual or attempted sexual contact, including penetration, with another person without that person’s consent. Sexual contact includes intentional contact by the accused with the victim’s genital area, groin, inner thigh, buttocks, or breasts, whether clothed or unclothed; touching another with any of these body parts, whether clothed or unclothed; coerced touching by the victim of another’s genital area, groin, inner thigh, buttocks, or breasts, whether clothed or unclothed; or forcing another to touch him/herself with or on any of these body parts.

Lathrop GPM,  136

CASE STUDY—DEFINITION OF CONSENT 

Consent means words or overt actions by a person clearly and affirmatively communicating a freely-given present agreement to perform a particular sexual act. Words or overt actions clearly communicate consent when a reasonable person in the circumstances would believe those words or actions indicate a willingness to participate in a mutually agreed-upon sexual activity. Although consent does not need to be verbal, verbal communication is the most reliable form of asking for and obtaining consent. It is the responsibility of the person initiating the specific sexual activity to obtain consent for that activity.

Lathrop GPM,  137

CASE STUDY—DEFINITION OF CONSENT 

The definition of consent is subject to the following:

- Consent can only be given if one is of legal age. The legal age of consent in this state is 16.
- Consent is a mutually understood and freely given “yes,” not the absence of “no.”
- Consent to one form of sexual activity cannot imply consent to other forms of sexual activity.
- Consent can be withdrawn at any time. When consent is withdrawn, the sexual activity for which consent was initially provided must stop.
- Silence or failing to resist does not imply consent.
- Previous relationships or previous consent does not imply consent to future sexual acts.
- An existing sexual, romantic, or marital relationship does not imply consent.
- Prior sexual activity with other individuals does not imply consent.
- Consent cannot be procured, expressly or implicitly, by use of force, intimidation, threats, or coercion, as that term is defined below.
- An individual known to be – or who should be known to be – **incapacitated**, as defined by the Policy, cannot consent to sexual activity initiated by another individual.
- Use of alcohol or other drugs will never function to excuse behavior that violates this Policy.

Lathrop GPM,  138

CASE STUDY—DEFINITION OF INCAPACITATION 

A person who is incapacitated cannot give valid consent to sexual contact. Incapacitation means the inability to understand the fact, nature, or extent of the sexual situation. Incapacitation may result from mental or physical disability, sleep, unconsciousness, involuntary physical restraint, or from the influence of drugs or alcohol. With respect to incapacitation due to the influence of drugs or alcohol, incapacitation requires more than being under the influence of drugs or alcohol; a person is not incapacitated just because they have been drinking or using drugs.

Lathrop GPM  139

CASE STUDY—DEFINITION OF INCAPACITATION 

Where drugs and/or alcohol are involved, incapacitation is determined based on the facts and circumstances of the particular situation looking at whether the individual was able to understand the fact, nature, or extent of the sexual situation, whether the individual was able to communicate decisions regarding consent, nonconsent, or the withdrawal of consent, and whether such condition was known or reasonably known to the respondent or a reasonable person in respondent's position. Use of drugs or alcohol by the respondent is not a defense against allegations of sexual misconduct.

Lathrop GPM  140

STAGE TWO: GATHER EVIDENCE 

- Types of evidence:
 - Witness interviews
 - Physical evidence
 - Text messages/emails/photos
 - Social media
 - Police report
 - Medical examination – *Caution!*
 - Student/personnel records
 - Surveillance video

Lathrop GPM  141

STATE TWO: GATHER EVIDENCE – NOTICE OF MEETINGS 

- Title IX: Written notice to the party whose participation is invited or expected of the
 - Date
 - Time
 - Location
 - Participants
 - Purpose

of all hearings, investigative interviews, or other meetings with a party, with sufficient time for the party to prepare to participate

- VAWA: Timely notice to the other party of meetings that are part of the disciplinary process

Lathrop GPM,  142

STAGE TWO: GATHER EVIDENCE – INTERVIEW PARTIES & WITNESSES 

- Go through script of opening remarks
 - Explain your role in the grievance/complaint process
 - Provide general explanation of reason for interview—gathering facts
 - Explain possible uses of party’s/witness’s statements
 - If applicable, explain cross-examination
 - If applicable, inform party/witness of recording and its use
 - Advise party and advisor on advisor’s limited role
 - Explain the need to ask difficult, detailed questions
 - Ask party/witness not to read into questions
 - Tell party/witness he or she can ask for a break during the interview

Lathrop GPM,  143

STAGE TWO: GATHER EVIDENCE – INTERVIEW PARTIES & WITNESSES 

- Go through script of opening remarks (cont.)
 - Explain that timelines and order of events may not be clear
 - Tell the party/witness to feel free to ask why a question is asked (Investigators: be prepared to answer)
 - Instruct *witness* regarding confidentiality (gag orders on parties is not permissible)
 - Assure/warn party/witness regarding policy prohibiting retaliation
 - If applicable, advise party/witness on alcohol or other policy waiver
 - If video/phone interview, confirm no one else is in the room
 - Obtain commitment to tell the truth

Lathrop GPM,  144

STAGE TWO: GATHER EVIDENCE – INITIAL PARTY INTERVIEWS 

- Purpose is to provide each party with an opportunity to share their account
- Do not ask party to respond to or rebut other party's or witness's accounts
- Ask limited follow-up questions to clarify party's own account
- When in doubt, don't ask

Lathrop GPM,  145

STAGE TWO: GATHER EVIDENCE – WITNESS INTERVIEWS 

- "Do you know why you were asked to come speak with me today?"
 - "Highway" or "Scenic Route" interview?
- If Scenic Route, use "funnel" approach
- If Highway interview, download everything they "know" about relevant events

Lathrop GPM,  146

STAGE TWO: GATHER EVIDENCE – WITNESS INTERVIEWS 

- Scenic Route: Funnel Approach
 - Start broadly; avoid leading questions
 - "I understand you were at a party off-campus last Saturday; did anything unusual happen while you were there?"
 - "You take Professor Johnson's architectural drafting course on Wednesday afternoons; did you observe anything out of the ordinary last week?"
 - Decide whether to ask more detailed questions
 - More reliable responses and less rumor mill

Lathrop GPM,  147

STAGE TWO: GATHER EVIDENCE – INTERVIEW PARTIES & WITNESSES 

- Create chronology of events
- Identify the who, what, where, when, and how
 - If don't know names, figure out other identifiable information
 - If helpful, consider drawing a map/diagram
 - If exact times aren't known, what events were going on to help fix a time
 - Avoid "why" questions
- Close "chapters" by recapping events
- Distinguish between personal knowledge and hearsay

  

Lathrop GPM,  148

STAGE TWO: GATHER EVIDENCE – INTERVIEW PARTIES & WITNESSES 

- Ask about evidence (text messages, photos, emails)
 - Expect that the parties and witnesses may be talking to each other during the complaint process—ask for these communications later in the process
 - Ask witnesses to forward information immediately
- Don't share information unless necessary
- Don't focus on writing exhaustive notes
- Let witness do most talking ("What happened next?")

Lathrop GPM,  149

STAGE TWO: GATHER EVIDENCE – INTERVIEW PARTIES & WITNESSES 

- Don't avoid questions because answers seem too obvious or too personal
- Don't inquire into complainant's prior sexual history with anyone other than respondent
 - Unless respondent alleges someone else committed the conduct
- Do not ask or initiate discussion about privileged information, unless individual holding the privilege has waived it (e.g., doctor-patient privilege, attorney-client privilege)
- Do not ask for or otherwise access treatment records without the party's written consent
- Prepare a summary/draft report immediately following interview

Lathrop GPM,  150

STAGE TWO: GATHER EVIDENCE – INTERVIEW PARTIES & WITNESSES 

- Go through script of closing remarks
 - Ask if there is anything else the party/witness wants you to know
 - Ask if there is anything the party/witness thought you would ask about that you have not yet discussed
 - Give parties opportunity to suggest witnesses, evidence, and questions to ask the other party
 - Find out what information those witnesses/evidence/questions will provide
 - Give witnesses opportunity to suggest other witnesses and evidence
 - Find out what information those witnesses/evidence will provide
 - Remind party/witness regarding need to preserve evidence

Lathrop GPM,  151

STAGE TWO: GATHER EVIDENCE – INTERVIEW PARTIES & WITNESSES 

- Go through script of closing remarks (cont.)
 - If applicable, explain that an additional interview may be necessary at a later date
 - Advise that party/witness may reach out to you with additional information
 - Reminder regarding policy prohibiting retaliation
 - Remind *witness* of instructions regarding confidentiality
 - Must not restrict the ability of either party to discuss the allegations under investigation
 - Explain to party that questions related to process or resources should be directed to the Title IX Coordinator or Deputy Coordinator

Lathrop GPM,  152

CASE STUDY 

Ask questions of Ashley

Lathrop GPM,  153

CASE STUDY 

- Ashley’s initial interview takes place over Zoom. Ashley has stated that she does not have an advisor present. However, during the interview you often see someone walking around in the background.
- What should you do?

Lathrop GPM,  154

CASE STUDY 

- During her initial interview, Ashley alleges that she felt that Nick pressured her into having sex. Ashley told the investigator that she said no several times to Nick touching her breasts but “he wouldn’t take no for an answer.” Ashley also stated that at one point in the night Nick threatened to break up with her when she was feeling insecure about her body. Ashley stated that she felt like she had to have sex with him or he would dump her.
- What should you do?

Lathrop GPM,  155

CASE STUDY 

Ask questions of Nick

Lathrop GPM,  156

CASE STUDY 

- During his initial interview, Nick states that during the night in question Ashley performed oral sex on him. When you asked if either of them said anything before Ashley started performing oral sex on him, Nick stated, “No, neither of us said anything; she just started doing it. I don’t know, I didn’t really consent to that, did I”?
- How do you respond?

Lathrop GPM,  157

CASE STUDY 

- Nick decides to file a formal complaint against Ashley for non-consensual sexual penetration.
- The Title IX Coordinator issues the following amended notice of allegations.

Lathrop GPM,  158

CASE STUDY 

Excerpt of Amended Notice of Allegations

A formal complaint of alleged sexual misconduct was submitted by Nick Newman to Title IX Coordinator, Beth Baker. In his formal complaint, Nick alleges that on or around July 24, 2020, at Ashley’s apartment in the University’s Oak Ridge apartment complex, Ashley sexually assaulted him by engaging in non-consensual sexual penetration.

Lathrop GPM,  159

CASE STUDY 

- During his initial interview Nick suggested you interview his current girlfriend because she will be able to “vouch that he would never sexually assault someone.”
- How do you respond?

Lathrop GPM,  160

CASE STUDY 

- After talking with the Coordinator, you decide to interview Nick’s current girlfriend.

Lathrop GPM,  161

CASE STUDY 

- According to both parties’ accounts, Tyler, Jason, and Drew looked at the topless pictures of Ashley. Both parties agree that the students were laughing and whistling/woo-hoo-ing. According to Ashley, one of them also made derogatory comments about her while looking at the pictures.
- What should you do with this information?

Lathrop GPM,  162

CASE STUDY

- You receive an email from Ashley. She tells you that she has a new advisor who is an attorney. Since her attorney was not present during her initial interview, she would like you to provide the recording of the interview to her attorney.
- How do you respond?

Lathrop GPM,  163

STAGE TWO: GATHER EVIDENCE – INTERVIEW PARTIES – ADVISORS

- VAWA requires:
 - Proceeding must “provide the accuser and the accused with the same opportunities to have others present during any institutional disciplinary proceeding, including the **opportunity to be accompanied to any related meeting** or proceeding by the advisor of their choice”
- Title IX requires:
 - Allow advisor of choice, who may be but is not required to be an attorney
 - May establish equal restrictions on advisors’ participation

Lathrop GPM,  164

STAGE TWO: GATHER EVIDENCE – INTERVIEW PARTIES – ADVISORS

- Advisors, particularly attorney advisors, have become increasingly common participants
- Tips for addressing disruptive advisors:
 - Signed advisor agreements
 - Be prepared to enforce the agreement parameters
 - Set the ground rules at the outset (e.g., “potted plant”)
 - Don’t engage with the advisor; only address the party (even in response to the advisor’s statements)
 - Hold the party responsible for the advisor’s actions
 - Don’t be afraid to consider pausing the process if the advisor continues to be disruptive
 - Be consistent

Lathrop GPM,  165

CASE STUDY 

- During your interview with Ashley’s friend Lauren, she starts to give you all the “dirt” on Nick. She says that she heard that he sleeps around a lot and even cheated on Ashley. She relays another rumor she heard that Nick intentionally got another girl “completely wasted” at a party last year and then took her home. Lauren says she heard that Nick was “bragging about” it the next day.

Lathrop GPM  166

**STAGE THREE: REVIEW/DRAFT/
CONDUCT ADDITIONAL INTERVIEWS** 

- Draft report
- Assess what more needs to be done
- Determine whether additional witnesses are necessary or merely duplicative
- Determine whether new facts/allegations require additional interviews
- Inform Title IX Coordinator of any new allegations (related or unrelated)
- Determine whether notice to the parties needs to be amended
- Be sure that each party has adequate notice of the other party’s allegations
- Inform parties in advance of close of evidence date

Lathrop GPM  168

CASE STUDY 

- During your initial interview with Ashley she said that she was going to send you screen shots of a text message conversation that she had with a friend from high school on July 25, 2020—the day she and Nick broke up. Ashley said that she told her friend in the text messages that she felt like Nick sexually assaulted her. You have contacted Ashley several times about the messages but have not received them.
- How do you respond?

Lathrop GPM,  169

CASE STUDY 

- During her follow-up interview Ashley tells you that she has struggled with anxiety for many years and that this investigation has made everything much worse.
- How should you respond?

Lathrop GPM,  170

CASE STUDY 

- During his initial interview, Nick alleged that Ashley engaged in non-consensual oral sex. During Ashley’s initial interview she did not even mention that oral sex occurred.
- How should you approach this issue with Ashley in her follow-up interview?

Lathrop GPM,  171

CASE STUDY 

- Nick's follow-up interview takes place over Zoom. His advisor is with him in the room. Nick continually mutes his sound and talks with his advisor during the interview.
- How do you respond?

Lathrop GPM,  172

CASE STUDY 

- You have completed your interviews and have prepared a draft of the investigation report. Now what do you do?

Lathrop GPM,  173

**STAGE THREE: REVIEW/DRAFT/

- Finalize draft of investigation report
- Meet with coordinator
 - Ensure parties have received notice of all allegations
 - Confirm process and timing for sharing evidence (if any)

 - When in doubt, err on side of following Title IX process

Lathrop GPM,  174

STAGE FOUR: PROVIDE EVIDENCE TO PARTIES TO REVIEW AND RESPOND* 

- *Prior to completion of investigation report, must provide equal opportunity to inspect and review any evidence obtained that is **directly related to the allegations***
 - Includes evidence upon which the institution does not intend to rely in reaching a determination and inculpatory or exculpatory evidence whether obtained from a party or other source
 - Must send to party and party's advisor in hard copy or electronic format
 - Party must be given at least 10 days to submit a written response
- Investigator must consider that written response before completing investigation report
- Must make all that evidence available at any hearing

Lathrop GPM,  * Title IX Only 175

STAGE FOUR: PROVIDE EVIDENCE TO PARTIES TO REVIEW AND RESPOND* 

- Types of evidence that must be provided to parties:
 - Documents collected from the parties
 - Text messages
 - Emails
 - Social media posts and messages
 - Photos and videos
 - Other evidence
 - Police reports
 - Security footage
 - Wifi access point records
 - Party and witness interviews

Lathrop GPM,  * Title IX Only 176

STAGE FOUR: PROVIDE EVIDENCE TO PARTIES TO REVIEW AND RESPOND* 

- Sexual history = include if directly related
 - Protections related to complainant's prior sexual history do not apply at this stage
 - Still analyze whether such evidence is "directly related to the allegations"
- Privileged information = only with waiver of privilege
- Treatment records = only with written consent

Lathrop GPM,  * Title IX Only 177

STAGE FOUR: PROVIDE EVIDENCE TO PARTIES TO REVIEW AND RESPOND* 

- May permit or require the investigator to redact information that is not directly related to the allegations (or that is otherwise barred from use under the final regulations)
 - Redactions are limited to information not directly related or that is otherwise specifically barred
 - May not redact other information, such as confidential, sensitive, or prejudicial information, if it is directly related to the allegations

Lathrop GPM,  * Title IX Only 178

STAGE FOUR: PROVIDE EVIDENCE TO PARTIES TO REVIEW AND RESPOND* 

- Maintain records of any information withheld and the rationale for doing so
- Investigator and Title IX Coordinator should both be involved in determination of what is directly related

Lathrop GPM,  * Title IX Only 179

STAGE FOUR: PROVIDE EVIDENCE TO PARTIES TO REVIEW AND RESPOND* 

- Ensuring privacy
 - May require parties and advisors to:
 - Use the evidence (and investigation report) only for purposes of the grievance process and
 - Require them not to further disseminate or disclose these materials
 - May use a non-disclosure agreement
 - May use digital encryption or other practices to address privacy concerns (e.g., watermarks)

Lathrop GPM,  * Title IX Only 180

CASE STUDY 

- Do you include the following in “directly related” evidence?
 - Nick’s roommate Jason stated that the same group of people that were hanging out with Nick and Ashley on the night in question had gotten together the weekend before to “hang out and drink.” Jason told you about some of the “stupid” things that their other roommate Tyler did that night.

Lathrop GPM,  181

CASE STUDY 

- Do you include the following in “directly related” evidence (cont.):
 - Nick told you that he heard that Ashley has been struggling academically this semester and is at risk of falling under the 3.0 GPA requirement to be in the Student Government Association. Nick stated that that was the real reason that she is so upset and that she brought up this complaint just so she would have an excuse for her poor grades and get a “free pass.”
 - Ashley’s friend Lauren stated that Nick was known on campus for sleeping around a lot and she even heard that he cheated on Ashley during their relationship.

Lathrop GPM,  182

CASE STUDY 

- You provide the parties and advisors with copies of the directly related evidence and give them 10 days to submit a written response.

Lathrop GPM,  183

CASE STUDY 

- During the response period, Ashley calls you to tell you that she heard a rumor that Nick was reading some of the interview transcripts to his roommates.
- What should the institution have done when you provided the evidence to the parties?
- Assuming the institution put protective measures and rules in place, what do you do now?

Lathrop GPM,  184

CASE STUDY 

- Both Nick and Ashley submit responses to the directly related evidence.

Lathrop GPM,  185

STAGE FOUR: PROVIDE EVIDENCE TO PARTIES TO REVIEW AND RESPOND* 

- Steps following parties' review
 - Review parties' responses
 - Consult with Title IX Coordinator to decide whether any additional action is needed
 - Investigator should consider parties' viewpoints about whether the evidence directly related to the allegations is relevant and therefore whether to include it in the investigation report
 - May provide a copy of each party's written response to the other party, but that is not required

Lathrop GPM,  * Title IX Only 186

CASE STUDY 

- In Nick’s response to the directly related evidence, he objects to your failure to include any information from his current girlfriend, whom you interviewed.
- What should you do?

Lathrop GPM,  187

CASE STUDY 

- You talk with the Coordinator about your interview with Nick’s current girlfriend. You tell the Coordinator that the interview was very short. You found out that Nick has only known his current girlfriend for a few weeks and she was not acquainted with either of the parties at the time of the alleged conduct. Nick’s girlfriend said he is “a really great guy” and that she “can’t imagine him doing something like this.”
- Is the information “directly related?”

Lathrop GPM,  188

STAGE FIVE: PACKAGE INVESTIGATION FOR DECISION-MAKERS 

- Complete investigation report
- Provide access (VAWA) or copy (Title IX) to parties, and parties’ advisors
 - At least 10 days prior to hearing (Title IX)

CASE STUDY—INVESTIGATION REPORT 

July 24, 2020—Nick’s Apartment
Ashley’s Account

Ashley stated that on July 24, 2020, she and two friends—Lauren and Amanda—went to Nick’s apartment to hang out with him and some other guys. Ashley stated that she had not been drinking before going to Nick’s apartment.

Lathrop GPM,  211

CASE STUDY—INVESTIGATION REPORT 

Ashley stated that when they arrived at Nick’s apartment, the door was partially open and they could hear him and a few others laughing and whistling. Ashley stated that she heard someone say, “She’s hot, but man, I think Jason has bigger boobs than her.” Ashley stated that she then heard Nick say, “Hey man she more than makes up for it in other ways.” Ashley stated that she then heard the other person respond, “Like how? Like, is she really flexible?”

Lathrop GPM,  212

CASE STUDY—INVESTIGATION REPORT 

Ashley stated that they then pushed the door open and entered the apartment.¹ She stated that she saw Nick’s roommates, Tyler and Jason, and another guy named Drew huddled around Nick’s phone looking at something. Ashley stated that she couldn’t remember who was holding the phone. Ashley stated that Nick was a few feet away from the other three guys, sitting on a chair. Ashley stated that when they walked in the room, one of the guys said, “uh-oh” and whoever was holding the phone quickly handed it to Nick.

¹Nick stated that he, Tyler, Jason, and David Donaldson live in a two-bedroom off-campus apartment. Nick stated that he and Tyler share a room and Jason and David share a room. Nick stated that the main entrance to the apartment opens directly to the living room. The parties and witnesses agree that David was not present during any of the alleged conduct.

Lathrop GPM,  213

CASE STUDY—INVESTIGATION REPORT 

Ashley stated that earlier in the week she had sent Nick several selfies in which she was topless. Ashley stated that Nick had been asking her to send nude pictures for a long time but she had repeatedly said “no” because she “just wasn’t comfortable doing that type of thing.” Ashley stated that she is “just not that secure in [her] body.” Ashley stated that she eventually “gave in a little” and sent a few topless selfies.

Lathrop GPM,  214

CASE STUDY—INVESTIGATION REPORT 

Ashley stated that after walking in the room she looked at Nick, turned around, and “stormed out” of the apartment. Ashley stated that Nick followed her out to the hallway. Ashley stated that she asked Nick if he’d shown his friends the topless pictures of her. Ashley stated that Nick claimed he had told his friends about the pictures but hadn’t shown them. Ashley stated that Nick said Tyler just grabbed his phone and looked at the pictures. Ashley stated that Nick “claimed” he tried to get the phone back and said the guys only had it for “like 30 seconds” before she walked in. Ashley stated that Nick apologized and convinced her to come back to the apartment and hang out with everyone. Ashley stated that they went back to the apartment together, but she didn’t talk to him and “made it clear” that she was still mad at him.

Lathrop GPM,  215

CASE STUDY—INVESTIGATION REPORT 

Ashley stated that they stayed in Nick’s living room drinking, talking, and watching YouTube videos for two or three hours. Ashley stated that she had “several” beers and “a few” shots. Ashley stated that she has trouble remembering everything that happened at Nick’s apartment. Ashley stated that she thought that Nick was the one who suggested they should leave. Ashley stated that she got up to leave but stumbled over a chair. Ashley stated that she remembered someone telling Nick that he had to walk her home or she “wouldn’t make it.” Ashley stated that she lives about a half-mile from Nick’s apartment. Ashley stated that Nick walked her home and supported her with his arm around her waist the whole time.

Lathrop GPM,  216

CASE STUDY—INVESTIGATION REPORT

Ashley stated that she doesn't really remember the walk and doesn't remember if they talked at all. When asked how she would rate her level of intoxication on a scale of 1 (sober) to 10 (passed out) when she left Nick's apartment, Ashley stated she would be about an 8 because she needed him to help her walk and she didn't remember much from the walk.²

²The intoxication scale is asked by the investigator to assist in understanding how an individual views their own intoxication level and how that compares to reports from others about an individual's level of intoxication and its impact on them. How an individual ranks him or herself on the intoxication scale is not determinative of whether that individual or someone else was incapacitated.

CASE STUDY—INVESTIGATION REPORT

Nick's Account

Nick stated that he, his roommates, Tyler and Jason, and Drew, a guy from Tyler's soccer team, were hanging out in the living room of his apartment on July 24, 2020. Nick stated that he was looking at pictures of Ashley on his phone and told his friends that she had sent him some "topless selfies". Nick stated that Tyler suddenly grabbed his phone and looked at the pictures, showing them to the other two guys. Nick stated that he tried to grab the phone but the guys stopped him. Nick stated that they only looked at the pictures for a few seconds before Ashley and her friends walked into the apartment. Nick stated that they had invited Ashley and some other girls over to hang out. When asked if anyone made comments about the pictures, Nick stated that the guys were laughing and "like woo-hoo-ing." When told of Ashley's account regarding the specific comments she heard between Nick and one of the other guys, Nick stated, "I don't recall specifically what was said; there was some joking around." When asked where he was in comparison to the other guys when Ashley and her friends walked into the room, Nick stated that he was standing right by them because he had been trying to get the phone.

CASE STUDY—INVESTIGATION REPORT

Nick stated that Ashley got mad right away and stormed out into the hallway. Nick stated that he ran after her, apologized, and explained what had happened. Nick stated that Ashley agreed to come back to the apartment, but she still seemed mad at him the whole time they were there.

CASE STUDY—INVESTIGATION REPORT

Nick stated that they were all drinking in their apartment that night. Nick stated that he had a few shots and a few beers. He stated that he was “buzzed” but was still in control and can remember everything. When asked to rate his intoxication level on a scale of 1 to 10 at the time he left his apartment, Nick stated that he was about a 5. Nick stated that Ashley was drinking, but not more than she usually does. Nick stated that Ashley was loud and “spouting off a bit.” He stated that Ashley was drinking enough that he wouldn’t have left her alone, but she “didn’t need help walking or anything.” When asked why he wouldn’t have left her alone, he responded that he was concerned that if he left her alone, “she might not have made the best decisions.” When asked to rate Ashley’s intoxication level, Nick stated that he thought she was a 6 or 7. Nick stated that he eventually asked Ashley if she wanted to go home because she was “getting pretty loud” and “acting kind of obnoxious.” Nick stated that Ashley “often would often feel embarrassed the next day after she’d been acting that way.”

Lathrop

CASE STUDY—INVESTIGATION REPORT

When told of Ashley’s account that Nick had to help her walk home because she had been drinking a lot, Nick stated “I always used to walk her home if it was late at night. I wouldn’t have wanted Ashley to be walking alone in the dark after she’d been drinking or anytime really.” Nick stated that he also often used to spend the night at Ashley’s apartment because he shared a bedroom with Tyler, but she had her own room. When asked if she needed help walking to her apartment, Nick stated, “No, she didn’t need help. I don’t even think we held hands cause she was still pissed at me. She didn’t stumble or anything like that.” Nick stated that they didn’t talk much on the walk because he could tell Ashley was still pissed about the pictures.

Lauren’s Account

Ashley’s friend, Lauren, stated that when they arrived outside Nick’s apartment door they could hear the guys “laughing about Ashley’s body.” When asked what she heard them say, Lauren stated that she could not remember what it was specifically, just that it was “some kind of insult about the pictures.” Lauren stated that all four guys were all huddled around the phone when they walked in the door. Lauren stated that Nick and Ashley got into a fight in the hall, but then came back to the room together. Lauren stated that she “didn’t think much of it” because “they were always fighting.” Lauren stated that she didn’t know how much Ashley had to drink. Lauren stated that she left before Ashley so she may have drank more after she left.

CASE STUDY—INVESTIGATION REPORT 

Amanda's Account

Ashley's friend, Amanda, stated that when they entered Nick's apartment, Tyler, Jason, and Drew were looking at a phone. When asked where Nick was in comparison to the other three, Amanda stated that he was sitting in a chair a little ways away. Amanda stated that Ashley and Nick were clearly fighting the whole night, which was "nothing new for them." Amanda stated that she knew Ashley was upset about the pictures, and she can tend to drink a lot when she is upset. Amanda stated that Ashley "had way too much to drink." When asked why she thought Ashley had too much to drink, Amanda stated that she was talking loudly, saying things she wouldn't usually say, and lost her balance once or twice. Amanda stated that she thought someone should cut her off. Amanda stated that she would have been more concerned, but she knew that Nick would take care of her. Amanda stated that Nick had to help Ashley home.

Lathrop GPM,  223

CASE STUDY—INVESTIGATION REPORT 

Tyler's Account

Nick's roommate, Tyler, stated that he took Nick's cell phone after he was "bragging about" the pictures of Ashley. When asked who was looking at the pictures, Tyler stated that he, Nick, Jason, and Drew all looked at the pictures. Tyler stated that he looked at the pictures for "maybe a few seconds" before Ashley came in. Tyler stated that Ashley was drinking in their apartment but "didn't seem that drunk." Tyler stated that Ashley is "just mad that Nick broke up with her" and that is why she filed the complaint.

Lathrop GPM,  224

CASE STUDY—INVESTIGATION REPORT 

Jason's Account

Nick's roommate, Jason, stated that he remembers Tyler taking Nick's phone, but he doesn't remember how long they looked at the pictures. Jason stated that it was "no big deal; it's not like he sent them to anyone." Jason stated that "everyone was drinking in the apartment that night." He stated that he doesn't remember anyone "getting like really wasted."

Lathrop GPM,  225

CASE STUDY—INVESTIGATION REPORT 

Drew's Account

Drew stated that he and Nick are “not really friends;” they are “more like acquaintances.” Drew stated that he happened to be hanging out in Nick, Tyler, and Jason’s apartment on July 24, 2020, but he didn’t usually spend much time with them. Drew stated that Tyler is one of his soccer teammates. Drew stated that while he was at their apartment, Nick started telling them about pictures of Ashley that were on his phone. Drew stated that Tyler took Nick’s phone and started looking at the pictures and showing them to Jason and Drew. When asked, Drew stated that he didn’t remember Nick doing anything to stop them or trying to take back his phone. When asked how long they looked at the pictures, Drew stated that he remembers that they swiped through a few pictures, and the three of them and Nick were “making several comments back and forth,” so he “would guess that [they] looked at the pictures for like a couple of minutes.” Drew stated that Tyler was making comments about Ashley’s breasts.

Lathrop GPM,  226

CASE STUDY—INVESTIGATION REPORT 

Drew stated that Ashley drank a lot while they were at Nick’s apartment. Drew stated that she was acting “really loud and obnoxious” and then fell over when she tried to get up to leave. Drew stated that he thought someone should make sure Ashley got home OK.

Lathrop GPM,  227

CASE STUDY—INVESTIGATION REPORT 

July 24, 2020/Early morning hours July 25, 2020—Ashley’s Apartment
Ashley’s Account:

Ashley stated that when they got to her apartment, she felt “really out of it” and had trouble unlocking her door. Ashley stated that she eventually opened the door and she and Nick went to her room. Ashley stated that she thought Nick was going to spend the night “because he usually did if he walked [her] home.” Ashley stated that she did not think they were going to “do anything” and did not want to “do anything,” because she was still “really mad” at Nick about the pictures. When asked what she meant by “do anything” Ashley stated that she meant “like sex and stuff.” When asked whether she and Nick usually had sex when he spent the night, Ashley stated, “sometimes we did; sometimes we didn’t and we just went to sleep.”

Lathrop GPM,  228

CASE STUDY—INVESTIGATION REPORT

Ashley stated that once in her room she and Nick both changed for bed and started fighting again. When asked to explain what they both wore to bed, Ashley stated that she was wearing a long t-shirt and underwear, but was not wearing a bra. Ashley stated that Nick "just wore his boxers." Ashley stated that Nick "must have realized that [she] was still mad at him" and said something like, "when are you going to let this go?" Ashley stated that they started "getting into a recurring fight [they] used to have." Ashley stated that Nick always wanted her to "be more showy, like wanted [her] to dress sexier or send him naked pictures of [her]self." Ashley stated that Nick would get upset when she refused to do those things and would tell her that she needed to be more comfortable with her body and with him. Ashley stated that she didn't feel comfortable showing her body off, even in her relationships, but she had "given in" after Nick "kept asking for nude pictures." Ashley stated that she was so mad at him because "if he knew [she] was so uncomfortable showing off [her] body, how could he let his friends see those pictures?" Ashley stated that during the fight Nick eventually said that he "couldn't take her insecurity anymore." Ashley stated that he "gave her an ultimatum." When asked what she meant by that, Ashley stated, "like he implied that he would break up with me if I couldn't let the whole picture thing go." Ashley stated that she didn't want to break up, so she told him she forgave him, but "was actually still really upset about it."

CASE STUDY—INVESTIGATION REPORT

Ashley stated that she then got into her bed and wanted to go to sleep because she "felt really tired and woozy." Ashley stated that Nick laid down next to her and started "stroking her arm and back." Ashley stated that she told him, "I'm really not in the mood." Ashley stated that Nick then told her she was beautiful and that he didn't understand how she could be so insecure when he continually tells her how much he loves her body. Ashley stated that Nick then started kissing her, but she "kinda turned away" and told him to stop. Ashley stated that she then said, "I just don't feel very sexy after hearing the comments those guys made about me." Ashley stated that Nick then said, "C'mon baby, it doesn't matter what they think, I think your hot" and then touched her breast over her shirt. Ashley stated that she said, "Please just stop it." Ashley stated that Nick then put his hand under her shirt and touched her bare breast, saying "You stop it. I love every part of you and you need to stop being so insecure."

CASE STUDY—INVESTIGATION REPORT

Ashley stated that Nick then started kissing her again. Ashley stated that she "didn't stop him but didn't really actively participate." Ashley stated that "after [she] said 'no' so many times and [Nick] kept going, [she] sort of gave up resisting him." When asked if she explicitly said, "no," Ashley stated that she may not have used the word "no" but she said "like 'stop it' or 'I'm not in the mood,' things like that." Ashley stated that Nick then removed his boxers and her underwear and then they had sex. Ashley stated that she felt really tired while they were having sex and "just wanted it to be over." When asked who initiated intercourse, Ashley stated that Nick initiated it. When asked if either of them said anything during sex or right before, Ashley stated that neither of them said anything. Ashley stated that if she hadn't drank so much she could have thought more clearly and wouldn't have given in to Nick's pressuring.

CASE STUDY—INVESTIGATION REPORT

Nick's Account

Nick stated that when they got to Ashley's apartment they entered together. When asked if Ashley had trouble unlocking the door, Nick stated that she did have trouble but that she had often "struggled with her door." Nick explained that Ashley's apartment has a lock with a card reader and Ashley "can never get it on the first try." When asked whether he had planned to spend the night at Ashley's apartment that night, Nick stated that he "figured that's what would happen." Nick stated that he and Ashley went into Ashley's bedroom and changed out of their clothes and "got ready for bed." When asked what they were wearing, Nick stated, "I wore my boxers and [Ashley] just had on a t-shirt I think." When asked whether they were talking during that time, Nick stated, "We kinda picked up our fight from earlier." When asked to explain, Nick stated that Ashley was "accusing [him] of being insensitive to her feelings about her body." Nick stated that "it felt like [they] had had the same fight a hundred times." Nick stated that he was "really sick of [Ashley's] insecurities and obsession about what people think about her—especially about her body." Nick stated that he told Ashley that he "couldn't take that kind of drama anymore" and that if she couldn't "just let these kind of things go, [they] weren't going to work out anymore." Nick stated that Ashley "calmed down," apologized, and told him she could "let it go." Nick stated that he asked Ashley, "So we're good?" and she replied, "yeah, we're good."

Nick stated that they then both laid down on Ashley's bed. Nick stated that he put his arm around Ashley, but she "rejected [him]." When asked how she rejected him, Nick stated that she said something or turned away. He stated that he didn't "exactly remember." When told of Ashley's account that she told him "I'm really not in the mood," Nick stated, "Yeah, that sounds about right." Nick stated that he thought she was still upset and feeling insecure about her body, so he tried to make her feel better by telling her he loved her body, kissing her, and touching her breasts. Nick stated that Ashley, "still wasn't having it," and she told him she was "feeling bad about what the guys had said about her pictures." Nick stated that he then told Ashley that he loved her body and she shouldn't be insecure about it. Nick stated that after that point, Ashley "seemed to feel better" and "got more into it."

CASE STUDY—INVESTIGATION REPORT

When asked how he could tell that Ashley "wasn't having it," Nick stated that she said "don't" or "stop it" when he touched her breasts. When asked if Ashley said "don't" or "stop it" more than once, Nick stated, "Yeah, I think she may have said it a couple of times." When asked if Nick touched Ashley's breasts after she said, "don't" or "stop it," Nick stated, "Yeah, I did, but it wasn't like she was saying 'no' in that way." When asked to explain, Nick stated that he "knew she was feeling bad about herself" and he "tried to reassure her" that he found her attractive. When asked what words or overt actions he could point to to indicate that Ashley consented to him touching her breasts, Nick stated, "Well, we were dating and she let me touch her breasts all the time. She wasn't saying no because she wasn't comfortable with it; I knew she was mad and needed me to reassure her about her body." When asked what he meant when he said Ashley "got more into it" after he told her he loved her body and she shouldn't be insecure about it, Nick stated, "like she turned toward me and was kissing me back and stuff."³

³When told of Nick's account that she turned toward him and was kissing him back and stuff, Ashley stated, "Yeah, I guess I maybe turned toward him a little and was moving my lips, but it's not like I was aggressively kissing him or super into it. I mean, I didn't want it to be awkward."

CASE STUDY—INVESTIGATION REPORT

Nick stated that after kissing more, Ashley took off his boxers and started performing oral sex on him. When asked if either of them said anything before Ashley started performing oral sex on him, Nick stated, "No, neither of us said anything; she just started doing it. I don't know, I didn't really consent to that, did I?" Nick stated that after a minute or two he stopped Ashley from performing oral sex because he wanted to "make sure she enjoyed herself, too." Nick stated that they started kissing again and eventually had sex.

CASE STUDY—INVESTIGATION REPORT

When asked who removed Ashley's underwear, Nick stated that Ashley took off her own underwear.⁴

⁴When asked if she performed oral sex on Nick, Ashley stated that her memory was "fuzzy," but she thought that she did perform oral sex. Ashley stated that she remembered feeling like she had to "do something" because Nick was "so insistent." Ashley stated, "I remember thinking that if I just gave him head he would be satisfied and we could go to sleep. But then the next thing I remember is him taking off my underwear and having sex with me." When asked what words or overt actions indicated that Nick consented to her performing oral sex on him, Ashley stated, "well, I don't remember how it started, but Nick was always asking me to give him head; there wasn't an issue with consent." When told of Nick's account that she removed her own underwear, Ashley stated that she was "sure that Nick was the one to take them off." When told of Nick's account that she removed his boxers before engaging in oral sex, Ashley stated, "that may be; I don't remember that clearly. It's all a bit spotty, but I have a distinct memory of Nick removing my underwear." Ashley stated that she felt like she "gave into having oral sex, but [she] never wanted to have intercourse that night."

Horizontal lines for notes

CASE STUDY—INVESTIGATION REPORT

When asked what position they were in while having sex, Nick stated that he was on top, which was "pretty typical." When asked what words or overt actions indicated that Ashley consented to intercourse, Nick stated "well, I would say, her kissing me, going down on me and taking off her underwear." Nick stated that sex often happened like that; they "didn't have a conversation about it every time; things just progressed, and [they] both participated." He stated that they talked early on in their relationship about how they would say something if there was ever anything they didn't want to do or didn't feel comfortable with. When asked if oral sex was always a part of how things progressed to intercourse, Nick stated, "no, sometimes there was no oral sex; sometimes we just did oral sex and didn't have intercourse."⁵

⁵When asked if she and Nick engaged in oral sex at other times during their relationship, Ashley stated that they "often did, but not every time they had sex." Ashley stated, "oral sex is sometimes how things end, and that's what I was hoping for that night. I was just so tired and out of it and was feeling so bad about my body. I just, you know, wanted the night to be over."

CASE STUDY—INVESTIGATION REPORT 

When told of Ashley’s account that Nick removed her underwear, Nick stated, “No, I’m pretty sure she took them off herself.” When told of Ashley’s account that she didn’t really actively participate, Nick stated, “Well, it’s not like she took charge or anything, but she wasn’t just laying there like a board or anything. I mean, she had her arms around me and stuff.”

CASE STUDY—INVESTIGATION REPORT 

July 25, 2020—Ashley’s Apartment (the next morning)
Ashley’s Account
 Ashley stated that Nick spent the night and the next morning while he was in the bathroom, she took his phone and started deleting the pictures she had sent him. Ashley stated that when Nick walked in the room and saw what she was doing, he got upset and they started fighting again. When asked what they each said, Ashley stated, “I don’t remember everything. He said something like he couldn’t handle my insecurity and I was always paranoid.” Ashley stated that they had had a fight another time after she was looking through messages on his phone “to make sure he wasn’t cheating on [her],” so Nick was “especially mad that [she] had taken his phone again.” Ashley stated that she apologized and started crying, but that Nick told her he wanted to break up. Ashley stated that she tried to “talk him out of it, but he wouldn’t listen.” Ashley stated that Nick then left and they have only spoken briefly one time when they met to exchange some of their things that they left at each other’s apartments.

Lathrop GPM,  239

CASE STUDY—INVESTIGATION REPORT 

Ashley stated that after they broke up, she ran into her friend, Lauren later in the day. Ashley stated that Lauren “must have been able to tell that something was wrong” because she asked Ashley if she was ok. Ashley stated that she told Lauren that she was hung over and that she and Nick had broken up that morning. Ashley stated that she told Lauren she didn’t want to talk about it.

Lathrop GPM,  240

CASE STUDY—INVESTIGATION REPORT 

Ashley stated that she went home to her parents’ house soon after the breakup because her summer classes had ended. Ashley stated that she “thought [she] could just forget about the whole thing.” Ashley stated that she “definitely wasn’t able to forget it,” but she did think about it a lot and “got some perspective about it all.” Ashley stated that after she came back to school for the fall semester and saw Nick, she “knew [she] had to do something” and decided to report what had happened.

Lathrop GPM,  241

CASE STUDY—INVESTIGATION REPORT 

Nick’s Account

Nick stated that he stayed the night with Ashley, but in the morning he caught her deleting the pictures from his phone while he was out of the room. Nick stated that Ashley was “super paranoid” about him and other girls and would often look at his phone to “check up on him.” Nick stated that they had fought about it so many times and he “just couldn’t take it anymore.” Nick stated that they fought about the pictures and her looking at his phone and her body issues. Nick stated that he “finally told her that [he] couldn’t handle all of her issues and [he] wanted to break up.” Nick stated that she started crying and apologizing, but he “told her it was over.” Nick stated that he has seen Ashley a handful of times around campus and once when they met to return each other’s belongings.

Lathrop GPM,  242

CASE STUDY—INVESTIGATION REPORT 

Lauren’s Account

Lauren stated that she saw Ashley the day after they had been at Nick’s apartment. Lauren stated that she could tell that Ashley had been crying, so she asked what was wrong. Lauren stated that Ashley told her that she and Nick had broken up, but she “didn’t go into the details.” When asked if they talked about anything else during that encounter, Lauren stated, “We didn’t talk long. Ashley said she wasn’t feeling well, she was still recovering from the night before, so she was going to go take a nap.”

Lathrop GPM,  243

CASE STUDY 

- You submit your completed investigation report to the Title IX Coordinator.
- The parties each review the investigation report and submit a response.

Lathrop GPM,  244

CASE STUDY 

- In his response to the investigation report Nick again objects to the investigator’s failure to include any information from his current girlfriend.
- How do you respond?

Lathrop GPM,  245

CASE STUDY 

Nick’s response also states the following:

- I feel so bad that those guys saw the pictures of Ashley that she sent me. If I could go back, I wouldn’t have said anything to the guys about them. But I never showed the guys the pictures. Tyler took my phone from me. It wasn’t something that I wanted to happen.

Lathrop GPM,  246

CASE STUDY

Nick's response also states the following:

- Ashley did not even mention during her first interview that she performed oral sex on me. That shows that she has no credibility. How can she claim that she "wasn't in the mood" to have sex when she initiated oral sex right before intercourse? Maybe she was worried that if she admitted to the oral sex it would show that she *was* an active participant in our sexual encounter that night and that she *did* consent to having sex. Or maybe she didn't want to mention it because she knew that she never got consent from me for the oral sex. Whatever her reason, it is clear that she has not been forthcoming during this investigation. Her account should not be believed.

Lathrop GPM,  247

CASE STUDY

Nick's response also states the following:

- Ashley is alleging that she felt like she had to have sex with me, but I never pressured her into anything. All I was trying to do was to make her feel better and not be so self-conscious. The only reason I even wanted to have sex that night was because she was feeling so bad about herself. I wanted to reassure her.

Lathrop GPM,  248

CASE STUDY

Ashley's response states the following:

- Nick's claim that he was trying to stop the other guys from looking at the pictures of me is not at all believable. He was sitting in a chair a few feet away from the other guys. It is obvious from everyone's testimony that the only reason the guys stopped looking at the pictures was because I walked in the room.

Lathrop GPM,  249

CASE STUDY

Ashley's response also states the following:

- I was sexually assaulted that night. I didn't even have capacity to consent to any of it because I was too intoxicated. Plus, I gave no words or actions that indicated that I wanted to have sex with Nick that night. In fact, I said I wasn't in the mood and told him to stop when he tried to touch me. And I only ended up going along with it in the end because Nick wouldn't take no for an answer.

Lathrop GPM,  255

DECISION-MAKING PROCESS 

- Objective evaluation of all relevant evidence

 - Title IX or VAWA

Lathrop GPM,  257

LIVE HEARING 

- General requirements under Title IX
 - Must provide live hearing
 - Permit each party's advisor to ask the other party and witnesses "all relevant questions and follow-up questions"
 - If party does not have advisor, institution must provide one for cross-examination

Lathrop GPM,  258

HEARING—RELEVANCY DETERMINATIONS 

- Decision-maker may hear arguments regarding relevancy of a question on the spot or may tell parties to reserve arguments for appeal (incorrect relevancy determination could be an alleged procedural error on appeal)
- Must allow question if relevant, even if misleading or assumes facts not in evidence
- Can establish rule that duplicative questions are not relevant
- Exclude questions with caution

Lathrop GPM,  259

HEARING—CROSS-EXAMINATION 

- Party or witness who does not appear at the hearing
 - Cannot rely on any statements from a party or witness who does not submit to cross-examination
 - Failure to answer one question constitutes a failure to submit to cross-examination (unless question came from decision-maker)
 - Still applies even if disability or death is the reason the person did not submit to cross-examination
 - Statements that cannot be considered include statements in investigation report or any other source (police report, medical exam, text messages, witness accounts, etc.)

Lathrop GPM,  260

HEARING—CROSS-EXAMINATION 

- School also cannot coerce unwilling participant
 - Be careful with any requirement that a student or employee cooperate with grievance process
 - Discipline for not attending hearing may constitute retaliation

Lathrop GPM,  261

HEARING—OTHER PROCEDURAL RULES 

- May establish additional rules that apply equally to both parties
 - Cross-examination must be respectful, non-abusive, not intimidating
 - Limit evidence at hearing to evidence that was gathered or presented as part of the investigation (or otherwise prior to the hearing)
 - Whether investigator may be called as a witness
 - Process for making objections to the relevance of questions and evidence
 - Other procedures at the hearing
 - Opening statements by parties or advisors
 - Closing statements by parties or advisors
 - Reasonable time limitations on hearings

Lathrop GPM,  262

HEARING—OTHER PROCEDURAL RULES 

- Some procedural rules are prohibited
 - Cannot prohibit a party from conferring with his or her advisor during the hearing
 - Cannot prohibit character evidence, lie detector test results, evidence that is unduly prejudicial, or evidence of prior bad acts
 - Decision-maker may determine how much weight to give such evidence

Lathrop GPM,  263

INVESTIGATOR ROLE IN DECISION-MAKING PROCESS 

- If role is investigator (and not adjudicator), role in adjudication should be limited
 - May be asked to review parties' responses to investigation report
 - Avoid communication with adjudicators, if at all possible (outside of the hearing process)
 - If communication with adjudicators outside the hearing process is necessary, work with Title IX Coordinator to provide the parties with access to additional information
 - May be called as witness at hearing?

WEIGHING EVIDENCE AND ASSESSING CREDIBILITY

Lathrop GPM,  265

EVIDENTIARY ISSUES

train 

- Always consider relevance and weight of evidence
- Types of evidence
 - Statements from parties and witnesses contained in investigation report
 - Live testimony and cross-examination
 - Character evidence
 - Physical evidence (texts, video, security access information, etc.)
 - Medical information (including mental health records)
 - Only with waiver/consent
 - Consider need for expert guidance in understanding and interpreting information
 - Polygraph/lie detector test results

Lathrop GPM,  266

EVIDENTIARY ISSUES

train 

- Complainant's sexual behavior or predisposition are not relevant *unless*:
 - Such questions and evidence are offered to prove someone other than respondent committed the alleged conduct or
 - The questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent
 - The mere fact of a current or previous consensual dating or sexual relationship between the two parties does not itself imply consent or preclude a finding of sexual violence

Lathrop GPM,  267

EVIDENTIARY ISSUES

- Prior bad acts/pattern evidence:
 - Allegation v. policy violation
 - Determine relevance and weight of evidence
 - May be relevant in fact-finding *and/or* sanction determination
 - Consider timing and process for requesting and providing access to the adjudicators and the parties (Title IX vs. VAWA)

Lathrop GPM
268

EVIDENTIARY ISSUES

Weighing Evidence / Assessing Credibility:

- Is information the witness provided accurate based on other evidence?
- How did the witness learn the facts?
- How well did he or she recall facts?
- How forthcoming was the witness?
- Did the witness seem honest and sincere? (*caution*)
- What are the possible motives for being less than truthful?
- What is the witness's relationship to the complainant and respondent?
- Are there other factors that bear on the believability of the witness?

Lathrop GPM
269

DEALING WITH INCULPATORY & EXCULPATORY EVIDENCE

- Consider all relevant evidence provided
 - Do not cherry-pick evidence that supports your conclusion
 - Do not ignore contrary evidence
- If evidence supporting both conclusions exists:
 - Is some evidence stronger than other evidence? If so, why?
 - Do you find one party more credible than the other party? If so, why?
 - If a witness's statement is contrary to your conclusion, why do you not believe the witness?

Lathrop GPM
270

DETERMINATION

- Finding re: policy violation
 - Sexual contact/harassment
 - Consent/unwelcomed
- Sanctions
- Remedies
- Written Notice

Lathrop GPM,  271

DETERMINATION—FINDING

- Standard of proof
 - “Preponderance of the evidence” or “clear and convincing” (not “beyond a reasonable doubt”)
 - Use same standard of proof for all formal complaints of sexual harassment
 - Burden is on the school to gather sufficient evidence to reach a fair, impartial determination
 - Presumption of non-responsibility that would need to be overcome
 - Decision-maker(s) must ultimately decide whether it was more likely than not that a policy violation has occurred (preponderance) or whether it is highly probable that a policy violation has occurred

Lathrop GPM,  272

DETERMINATION—FINDING

- Preponderance:
 - Must decide either that:
 - It was “more likely than not” that the Respondent violated the institution’s sexual misconduct policy OR
 - That there was insufficient evidence to establish that it was “more likely than not” that the Respondent violated the institution’s sexual misconduct policy
- Clear and convincing:
 - Must decide either that:
 - It was “highly probable” that the Respondent violated the institution’s misconduct policy OR
 - That there was insufficient evidence to establish that it was “highly probable” that the Respondent violated the institution’s sexual misconduct policy

Lathrop GPM,  273

CASE STUDY

Relevant Definitions

274

CASE STUDY – DEFINITION OF TITLE IX SEXUAL HARASSMENT

Title IX Hostile Environment Harassment is unwelcome conduct on the basis of sex determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University’s education program or activity.

For the purposes of the definition of Title IX Hostile Environment Harassment, reasonable person means a reasonable person in the shoes of the complainant, considering the ages, abilities, and relative positions of authority of the individuals involved in an incident.

275

CASE STUDY – DEFINITION OF NON-TITLE IX SEXUAL HARASSMENT

- As used in this Policy, Non-Title IX Sexual Harassment is unwelcome conduct of a sexual nature or based on sex, including sexual advances, requests for sexual favors, offensive comments or other conduct based on sex, sexually motivated physical contact, or other verbal, nonverbal, or physical conduct or communication of a sexual nature, when:
 - such conduct has the purpose or effect of substantially and unreasonably interfering with an individual's employment or education, or of creating an intimidating, hostile, or offensive employment or educational environment ("hostile environment" harassment).

276

CASE STUDY—DEFINITION OF SEXUAL ASSAULT 

Sexual assault is any actual or attempted sexual contact, including penetration, with another person without that person’s consent. Sexual contact includes intentional contact by the accused with the victim’s genital area, groin, inner thigh, buttocks, or breasts, whether clothed or unclothed; touching another with any of these body parts, whether clothed or unclothed; coerced touching by the victim of another’s genital area, groin, inner thigh, buttocks, or breasts, whether clothed or unclothed; or forcing another to touch him/herself with or on any of these body parts.

Lathrop GPM,  277

CASE STUDY—DEFINITION OF CONSENT 

Consent means words or overt actions by a person clearly and affirmatively communicating a freely-given present agreement to perform a particular sexual act. Words or overt actions clearly communicate consent when a reasonable person in the circumstances would believe those words or actions indicate a willingness to participate in a mutually agreed-upon sexual activity. Although consent does not need to be verbal, verbal communication is the most reliable form of asking for and obtaining consent. It is the responsibility of the person initiating the specific sexual activity to obtain consent for that activity.

Lathrop GPM,  278

CASE STUDY—DEFINITION OF CONSENT 

The definition of consent is subject to the following:

- Consent can only be given if one is of legal age. The legal age of consent in this state is 16.
- Consent is a mutually understood and freely given “yes,” not the absence of “no.”
- Consent to one form of sexual activity cannot imply consent to other forms of sexual activity.
- Consent can be withdrawn at any time. When consent is withdrawn, the sexual activity for which consent was initially provided must stop.
- Silence or failing to resist does not imply consent.
- Previous relationships or previous consent does not imply consent to future sexual acts.
- An existing sexual, romantic, or marital relationship does not imply consent.
- Prior sexual activity with other individuals does not imply consent.
- Consent cannot be procured, expressly or implicitly, by use of force, intimidation, threats, or coercion, as that term is defined below.
- An individual known to be – or who should be known to be – **incapacitated**, as defined by the Policy, cannot consent to sexual activity initiated by another individual.
- Use of alcohol or other drugs will never function to excuse behavior that violates this Policy.

Lathrop GPM,  279

**CASE STUDY—
DEFINITION OF COERCION** 

Coercion is conduct or intimidation that would compel an individual to do something against their will by (1) the use of physical force, (2) threats of severely damaging consequences, or (3) pressure that would cause a reasonable person to fear severely damaging consequences. Coercion is more than an effort to persuade or attract another person to engage in sexual activity. Coercive behavior differs from seductive behavior based on the degree and type of pressure someone uses to obtain consent from another.

Lathrop GPM,  280

**CASE STUDY—DEFINITION OF
INCAPACITATION** 

A person who is incapacitated cannot give valid consent to sexual contact. Incapacitation means the inability to understand the fact, nature, or extent of the sexual situation. Incapacitation may result from mental or physical disability, sleep, unconsciousness, involuntary physical restraint, or from the influence of drugs or alcohol. With respect to incapacitation due to the influence of drugs or alcohol, incapacitation requires more than being under the influence of drugs or alcohol; a person is not incapacitated just because they have been drinking or using drugs.

Lathrop GPM,  281

**CASE STUDY—DEFINITION OF
INCAPACITATION** 

Where drugs and/or alcohol are involved, incapacitation is determined based on the facts and circumstances of the particular situation looking at whether the individual was able to understand the fact, nature, or extent of the sexual situation, whether the individual was able to communicate decisions regarding consent, nonconsent, or the withdrawal of consent, and whether such condition was known or reasonably known to the respondent or a reasonable person in respondent's position. Use of drugs or alcohol by the respondent is not a defense against allegations of sexual misconduct.

Complaint

On September 15, 2020, Ashley Anderson made a complaint of sexual misconduct against Nick Newman.

Sexual Misconduct Complaint Form

COMPLAINANT NAME: Ashley Anderson

ADDRESS: 1234 Oak Ridge Drive

DATE OF REPORT OF ALLEGED POLICY VIOLATION: September 15, 2020

RESPONDENT NAME: Nick Newman

ADDRESS: 999 Off-Campus Lane

ALLEGATIONS:

On July 24, 2020, Nick Newman sexually harassed and sexually assaulted me. At the time, Nick and I were in a dating relationship. On the night of July 24, I walked into Nick's apartment and saw him showing several of his friends topless pictures of me without my consent. Later in the night, after getting really drunk, Nick and I went back to my apartment. At my apartment, Nick touched my breasts and had sex with me without my consent. Even though I said "no" several times, Nick continued to touch me and eventually had sex with me. I was too drunk to consent to anything that happened.

Definition of Title IX Hostile Environment Sexual Harassment

Title IX Hostile Environment Harassment is unwelcome conduct on the basis of sex determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University's education program or activity.

For the purposes of the definition of Title IX Hostile Environment Harassment, reasonable person means a reasonable person in the shoes of the complainant, considering the ages, abilities, and relative positions of authority of the individuals involved in an incident.

Definition of Non-Title IX Sexual Harassment

As used in this Policy, Non-Title IX Sexual Harassment is unwelcome conduct of a sexual nature or based on sex, including sexual advances, requests for sexual favors, offensive comments or other conduct based on sex, sexually motivated physical contact, or other verbal, nonverbal, or physical conduct or communication of a sexual nature, when:

- such conduct has the purpose or effect of substantially and unreasonably interfering with an individual's employment or education, or of creating an intimidating, hostile, or offensive employment or educational environment ("hostile environment" harassment).

Definition of Sexual Assault

Sexual assault is any actual or attempted sexual contact, including penetration, with another person without that person's consent. Sexual contact includes intentional contact by the accused with the victim's genital area, groin, inner thigh, buttocks, or breasts, whether clothed or unclothed; touching another with any of these body parts, whether clothed or unclothed; coerced touching by the victim of another's genital area, groin, inner thigh, buttocks, or breasts, whether clothed or unclothed; or forcing another to touch him/herself with or on any of these body parts.

Definition of Consent

Consent means words or overt actions by a person clearly and affirmatively communicating a freely-given present agreement to perform a particular sexual act. Words or overt actions clearly communicate consent when a reasonable person in the circumstances would believe those words or actions indicate a willingness to participate in a mutually agreed-upon sexual activity.

Although consent does not need to be verbal, verbal communication is the most reliable form of asking for and obtaining consent. It is the responsibility of the person initiating the specific sexual activity to obtain consent for that activity.

The definition of consent is subject to the following:

- Consent can only be given if one is of legal age. The legal age of consent in this state is 16.
- Consent is a mutually understood and freely given “yes,” not the absence of “no.”
- Consent to one form of sexual activity cannot imply consent to other forms of sexual activity
- Consent can be withdrawn at any time. When consent is withdrawn, the sexual activity for which consent was initially provided must stop.
- Silence or failing to resist does not imply consent.
- Previous relationships or previous consent does not imply consent to future sexual acts.
- An existing sexual, romantic, or marital relationship does not imply consent.
- Prior sexual activity with other individuals does not imply consent.
- Consent cannot be procured, expressly or implicitly, by use of force, intimidation, threats, or **coercion**, as that term is defined below.
- An individual known to be – or who should be known to be – **incapacitated**, as defined by the Policy, cannot consent to sexual activity initiated by another individual.
- Use of alcohol or other drugs will never function to excuse behavior that violates this Policy.

Definition of Incapacitation

A person who is **incapacitated** cannot give valid consent to sexual contact. Incapacitation means the inability to understand the fact, nature, or extent of the sexual situation.

Incapacitation may result from mental or physical disability, sleep, unconsciousness, involuntary physical restraint, or from the influence of drugs or alcohol. With respect to incapacitation due to the influence of drugs or alcohol, incapacitation requires more than being under the influence of drugs or alcohol; a person is not incapacitated just because they have been drinking or using drugs.

Where drugs and/or alcohol are involved, incapacitation is determined based on the facts and circumstances of the particular situation looking at whether the individual was able to understand the fact, nature, or extent of the sexual situation, whether the individual was able to communicate decisions regarding consent, nonconsent, or the withdrawal of consent, and whether such condition was known or reasonably known to the respondent or a reasonable person in respondent's position. Use of drugs or alcohol by the respondent is not a defense against allegations of sexual misconduct.

Definition of Coercion

Coercion is conduct or intimidation that would compel an individual to do something against their will by (1) the use of physical force, (2) threats of severely damaging consequences, or (3) pressure that would cause a reasonable person to fear severely damaging consequences. Coercion is more than an effort to persuade or attract another person to engage in sexual activity. Coercive behavior differs from seductive behavior based on the degree and type of pressure someone uses to obtain consent from another.

Background

The parties are both in their junior year at the University. The parties agree that they met at the beginning of spring semester of their sophomore year when they had a class together. The parties agree that they dated for almost three months during the late spring and summer of 2020. Ashley and Nick both stated that they had had sexual intercourse many times throughout their dating relationship. The parties agree that they broke up on July 25, 2020.

July 24, 2020—Nick’s Apartment

Ashley’s Account

Ashley stated that on July 24, 2020, she and two friends—Lauren and Amanda—went to Nick’s apartment to hang out with him and some other guys. Ashley stated that she had not been drinking before going to Nick’s apartment.

Ashley stated that when they arrived at Nick’s apartment, the door was partially open and they could hear him and a few others laughing and whistling. Ashley stated that she heard someone say, “She’s hot, but man, I think Jason has bigger boobs than her.” Ashley stated that she then heard Nick say, “Hey man she more than makes up for it in other ways.” Ashley stated that she then heard the other person respond, “Like how? Like, is she really flexible?”

Ashley stated that they then pushed the door open and entered the apartment.¹ She stated that she saw Nick’s roommates, Tyler and Jason, and another guy named Drew huddled around Nick’s phone looking at something. Ashley stated that she couldn’t remember who was holding the phone. Ashley stated that Nick was a few feet away from the other three guys, sitting on a chair. Ashley stated that when they walked in the room, one of the guys said, “uh-oh” and whoever was holding the phone quickly handed it to Nick.

Ashley stated that earlier in the week she had sent Nick several selfies in which she was topless. Ashley stated that Nick had been asking her to send nude pictures for a long time but she had

¹ Nick stated that he, Tyler, Jason, and David Donaldson live in a two-bedroom off-campus apartment. Nick stated that he and Tyler share a room and Jason and David share a room. Nick stated that the main entrance to the apartment opens directly to the living room. The parties and witnesses agree that David was not present during any of the alleged conduct.

repeatedly said “no” because she “just wasn’t comfortable doing that type of thing.” Ashley stated that she is “just not that secure in [her] body.” Ashley stated that she eventually “gave in a little” and sent a few topless selfies.

Ashley stated that after walking in the room she looked at Nick, turned around, and “stormed out” of the apartment. Ashley stated that Nick followed her out to the hallway. Ashley stated that she asked Nick if he’d shown his friends the topless pictures of her. Ashley stated that Nick claimed he had told his friends about the pictures but hadn’t shown them. Ashley stated that Nick said Tyler just grabbed his phone and looked at the pictures. Ashley stated that Nick “claimed” he tried to get the phone back and said the guys only had it for “like 30 seconds” before she walked in. Ashley stated that Nick apologized and convinced her to come back to the apartment and hang out with everyone. Ashley stated that they went back to the apartment together, but she didn’t talk to him and “made it clear” that she was still mad at him.

Ashley stated that they stayed in Nick’s living room drinking, talking, and watching YouTube videos for two or three hours. Ashley stated that she had “several” beers and “a few” shots. Ashley stated that she has trouble remembering everything that happened at Nick’s apartment. Ashley stated that she thought that Nick was the one who suggested they should leave. Ashley stated that she got up to leave but stumbled over a chair. Ashley stated that she remembered someone telling Nick that he had to walk her home or she “wouldn’t make it.” Ashley stated that she lives about a half-mile from Nick’s apartment. Ashley stated that Nick walked her home and supported her with his arm around her waist the whole time. Ashley stated that she doesn’t really remember the walk and doesn’t remember if they talked at all. When asked how she would rate her level of intoxication on a scale of 1 (sober) to 10 (passed out) when she left Nick’s apartment, Ashley stated she would be about an 8 because she needed him to help her walk and she didn’t remember much from the walk.²

Nick’s Account

Nick stated that he, his roommates, Tyler and Jason, and Drew, a guy from Tyler’s soccer team, were hanging out in the living room of his apartment on July 24, 2020. Nick stated that he was looking at pictures of Ashley on his phone and told his friends that she had sent him some “topless selfies”. Nick stated that Tyler suddenly grabbed his phone and looked at the pictures, showing them to the other two guys. Nick stated that he tried to grab the phone but the guys stopped him. Nick stated that they only looked at the pictures for a few seconds before Ashley

² The intoxication scale is asked by the investigator to assist in understanding how an individual views their own intoxication level and how that compares to reports from others about an individual’s level of intoxication and its impact on them. How an individual ranks him or herself on the intoxication scale is not determinative of whether that individual or someone else was incapacitated.

and her friends walked into the apartment. Nick stated that they had invited Ashley and some other girls over to hang out. When asked if anyone made comments about the pictures, Nick stated that the guys were laughing and “like woo-hoo-ing.” When told of Ashley’s account regarding the specific comments she heard between Nick and one of the other guys, Nick stated, “I don’t recall specifically what was said; there was some joking around.” When asked where he was in comparison to the other guys when Ashley and her friends walked into the room, Nick stated that he was standing right by them because he had been trying to get the phone.

Nick stated that Ashley got mad right away and stormed out into the hallway. Nick stated that he ran after her, apologized, and explained what had happened. Nick stated that Ashley agreed to come back to the apartment, but she still seemed mad at him the whole time they were there.

Nick stated that they were all drinking in their apartment that night. Nick stated that he had a few shots and a few beers. He stated that he was “buzzed” but was still in control and can remember everything. When asked to rate his intoxication level on a scale of 1 to 10 at the time he left his apartment, Nick stated that he was about a 5. Nick stated that Ashley was drinking, but not more than she usually does. Nick stated that Ashley was loud and “spouting off a bit.” He stated that Ashley was drinking enough that he wouldn’t have left her alone, but she “didn’t need help walking or anything.” When asked why he wouldn’t have left her alone, he responded that he was concerned that if he left her alone, “she might not have made the best decisions.” When asked to rate Ashley’s intoxication level, Nick stated that he thought she was a 6 or 7. Nick stated that he eventually asked Ashley if she wanted to go home because she was “getting pretty loud” and “acting kind of obnoxious.” Nick stated that Ashley “often would often feel embarrassed the next day after she’d been acting that way.”

When told of Ashley’s account that Nick had to help her walk home because she had been drinking a lot, Nick stated “I always used to walk her home if it was late at night. I wouldn’t have wanted Ashley to be walking alone in the dark after she’d been drinking or anytime really.” Nick stated that he also often used to spend the night at Ashley’s apartment because he shared a bedroom with Tyler, but she had her own room. When asked if she needed help walking to her apartment, Nick stated, “No, she didn’t need help. I don’t even think we held hands cause she was still pissed at me. She didn’t stumble or anything like that.” Nick stated that they didn’t talk much on the walk because he could tell Ashley was still pissed about the pictures.

Lauren’s Account

Ashley’s friend, Lauren, stated that when they arrived outside Nick’s apartment door they could hear the guys “laughing about Ashley’s body.” When asked what she heard them say, Lauren stated that she could not remember what it was specifically, just that it was “some kind of insult about the pictures.” Lauren stated that all four guys were all huddled around the phone when they walked in the door. Lauren stated that Nick and Ashley got into a fight in the hall, but then

came back to the room together. Lauren stated that she “didn’t think much of it” because “they were always fighting.” Lauren stated that she didn’t know how much Ashley had to drink. Lauren stated that she left before Ashley so she may have drank more after she left.

Amanda’s Account

Ashley’s friend, Amanda, stated that when they entered Nick’s apartment, Tyler, Jason, and Drew were looking at a phone. When asked where Nick was in comparison to the other three, Amanda stated that he was sitting in a chair a little ways away. Amanda stated that Ashley and Nick were clearly fighting the whole night, which was “nothing new for them.” Amanda stated that she knew Ashley was upset about the pictures, and she can tend to drink a lot when she is upset. Amanda stated that Ashley “had way too much to drink.” When asked why she thought Ashley had too much to drink, Amanda stated that she was talking loudly, saying things she wouldn’t usually say, and lost her balance once or twice. Amanda stated that she thought someone should cut her off. Amanda stated that she would have been more concerned, but she knew that Nick would take care of her. Amanda stated that Nick had to help Ashley home.

Tyler’s Account

Nick’s roommate, Tyler, stated that he took Nick’s cell phone after he was “bragging about” the pictures of Ashley. When asked who was looking at the pictures, Tyler stated that he, Nick, Jason, and Drew all looked at the pictures. Tyler stated that he looked at the pictures for “maybe a few seconds” before Ashley came in. Tyler stated that Ashley was drinking in their apartment but “didn’t seem that drunk.” Tyler stated that Ashley is “just mad that Nick broke up with her” and that is why she filed the complaint.

Jason’s Account

Nick’s roommate, Jason, stated that he remembers Tyler taking Nick’s phone, but he doesn’t remember how long they looked at the pictures. Jason stated that it was “no big deal; it’s not like he sent them to anyone.” Jason stated that “everyone was drinking in the apartment that night.” He stated that he doesn’t remember anyone “getting like really wasted.”

Drew’s Account

Drew stated that he and Nick are “not really friends;” they are “more like acquaintances.” Drew stated that he happened to be hanging out in Nick, Tyler, and Jason’s apartment on July 24, 2020, but he didn’t usually spend much time with them. Drew stated that Tyler is one of his soccer teammates. Drew stated that while he was at their apartment, Nick started telling them about pictures of Ashley that were on his phone. Drew stated that Tyler took Nick’s phone and started looking at the pictures and showing them to Jason and Drew. When asked, Drew stated that he didn’t remember Nick doing anything to stop them or trying to take back his phone.

When asked how long they looked at the pictures, Drew stated that he remembers that they swiped through a few pictures, and the three of them and Nick were “making several comments back and forth,” so he “would guess that [they] looked at the pictures for like a couple of minutes.” Drew stated that Tyler was making comments about Ashley’s breasts.

Drew stated that Ashley drank a lot while they were at Nick’s apartment. Drew stated that she was acting “really loud and obnoxious” and then fell over when she tried to get up to leave. Drew stated that he thought someone should make sure Ashley got home OK.

July 24, 2020/Early morning hours July 25, 2020—Ashley’s Apartment

Ashley’s Account:

Ashley stated that when they got to her apartment, she felt “really out of it” and had trouble unlocking her door. When asked to rate her level of intoxication at that point, Ashley stated that she was “still around a 7 or 8.” Ashley stated that she eventually opened the door and she and Nick went to her room. Ashley stated that she thought Nick was going to spend the night “because he usually did if he walked [her] home.” Ashley stated that she did not think they were going to “do anything” and did not want to “do anything,” because she was still “really mad” at Nick about the pictures. When asked what she meant by “do anything” Ashley stated that she meant “like sex and stuff.” When asked whether she and Nick usually had sex when he spent the night, Ashley stated, “sometimes we did; sometimes we didn’t and we just went to sleep.”

Ashley stated that once in her room she and Nick both changed for bed and started fighting again. When asked to explain what they both wore to bed, Ashley stated that she was wearing a long t-shirt and underwear, but was not wearing a bra. Ashley stated that Nick “just wore his boxers.” Ashley stated that Nick “must have realized that [she] was still mad at him” and said something like, “when are you going to let this go?” Ashley stated that they started “getting into a recurring fight [they] used to have.” Ashley stated that Nick always wanted her to “be more showy, like wanted [her] to dress sexier or send him naked pictures of [her]self.” Ashley stated that Nick would get upset when she refused to do those things and would tell her that she needed to be more comfortable with her body and with him. Ashley stated that she didn’t feel comfortable showing her body off, even in her relationships, but she had “given in” after Nick “kept asking for nude pictures.” Ashley stated that she was so mad at him because “if he knew [she] was so uncomfortable showing off [her] body, how could he let his friends see those pictures?” Ashley stated that during the fight Nick eventually said that he “couldn’t take her insecurity anymore.” Ashley stated that he “gave her an ultimatum.” When asked what she meant by that, Ashley stated, “like he implied that he would break up with me if I couldn’t let the whole picture thing go.” Ashley stated that she didn’t want to break up, so she told him she forgave him, but “was actually still really upset about it.”

Ashley stated that she then got into her bed and wanted to go to sleep because she “felt really tired and woozy.” Ashley stated that Nick laid down next to her and started “stroking her arm and back.” Ashley stated that she told him, “I’m really not in the mood.” Ashley stated that Nick then told her she was beautiful and that he didn’t understand how she could be so insecure when he continually tells her how much he loves her body. Ashley stated that Nick then started kissing her, but she “kinda turned away” and told him to stop. Ashley stated that she then said, “I just don’t feel very sexy after hearing the comments those guys made about me.” Ashley stated that Nick then said, “C’mon baby, it doesn’t matter what they think, I think your hot” and then touched her breast over her shirt. Ashley stated that she said, “Please just stop it.” Ashley stated that Nick then put his hand under her shirt and touched her bare breast, saying “You stop it. I love every part of you and you need to stop being so insecure.”

Ashley stated that Nick then started kissing her again. Ashley stated that she “didn’t stop him but didn’t really actively participate.” Ashley stated that “after [she] made it clear that she wasn’t interested, but [Nick] kept persisting, [she] sort of gave up resisting him.” Ashley stated that after kissing for a while, Nick removed his boxers and her underwear and then they had sex. Ashley stated that she felt really tired while they were having sex and “just wanted it to be over.” When asked who initiated intercourse, Ashley stated that Nick initiated it. When asked if either of them said anything during sex or right before, Ashley stated that neither of them said anything. When asked what position they were in during intercourse, Ashley stated that “Nick was on top.” Ashley stated that if she hadn’t drank so much she could have thought more clearly and wouldn’t have given in to Nick’s pressuring.

Nick’s Account

Nick stated that when they got to Ashley’s apartment they entered together. When asked if Ashley had trouble unlocking the door, Nick stated that she did have trouble but that she had often “struggled with her door.” Nick explained that Ashley’s apartment has a lock with a card reader and Ashley “can never get it on the first try.” When asked to rate Ashley’s level of intoxication when they got to Ashley’s apartment, Nick stated that she was a “six.” When asked why he thought she was around a six, Nick stated, “she was still being pretty loud and, you know, pretty emotional, I mean, more emotional than usual.” When asked whether he had planned to spend the night at Ashley’s apartment that night, Nick stated that he “figured that’s what would happen.” Nick stated that he and Ashley went into Ashley’s bedroom and changed out of their clothes and “got ready for bed.” When asked what they were wearing, Nick stated, “I wore my boxers and [Ashley] just had on a t-shirt I think.” When asked whether they were talking during that time, Nick stated, “We kinda picked up our fight from earlier.” When asked to explain, Nick stated that Ashley was “accusing [him] of being insensitive to her feelings about her body.” Nick stated that “it felt like [they] had had the same fight a hundred times.” Nick stated that he was “really sick of [Ashley’s] insecurities and obsession about what people think

about her—especially about her body.” Nick stated that he told Ashley that he “couldn’t take that kind of drama anymore” and that if she couldn’t “just let these kind of things go, [they] weren’t going to work out anymore.” Nick stated that Ashley “calmed down,” apologized, and told him she could “let it go.” Nick stated that he asked Ashley, ““So we’re good?”” and she replied, ““yeah, we’re good.””

Nick stated that they then both laid down on Ashley’s bed. Nick stated that he put his arm around Ashley, but she “rejected [him].” When asked how she rejected him, Nick stated that she said something or turned away. He stated that he didn’t “exactly remember.” When told of Ashley’s account that she told him “I’m really not in the mood,” Nick stated, “Yeah, that sounds about right.” Nick stated that he thought she was still upset and feeling insecure about her body, so he tried to make her feel better by telling her he loved her body, kissing her, and touching her breasts. Nick stated that Ashley, “still wasn’t having it,” and she told him she was “feeling bad about what the guys had said about her pictures.” Nick stated that he then told Ashley that he loved her body and she shouldn’t be insecure about it. Nick stated that after that point, Ashley “seemed to feel better” and “got more into it.” When asked how he could tell that Ashley “wasn’t having it,” Nick stated that she said “don’t” or “stop it” when he touched her breasts. When asked if Ashley said “don’t” or “stop it” more than once, Nick stated, “Yeah, I think she may have said it a couple of times.” When asked if Nick touched Ashley’s breasts after she said, “don’t” or “stop it,” Nick stated, “Yeah, I did, but it wasn’t like she was saying ‘no’ in that way.” When asked to explain, Nick stated that he “knew she was feeling bad about herself” and he “tried to reassure her” that he found her attractive. When asked what words or overt actions he could point to to indicate that Ashley consented to him touching her breasts, Nick stated, “Well, we were dating and she let me touch her breasts all the time. She wasn’t saying no because she wasn’t comfortable with it; I knew she was mad and needed me to reassure her about her body.” When asked what he meant when he said Ashley “got more into it” after he told her he loved her body and she shouldn’t be insecure about it, Nick stated, “like she turned toward me and was kissing me back and stuff.”³

Nick stated that after kissing more, Ashley took off his boxers and started performing oral sex on him. When asked if either of them said anything before Ashley started performing oral sex on him, Nick stated, “No, neither of us said anything; she just started doing it. I don’t know, I didn’t really consent to that, did I?” Nick stated that after a minute or two he stopped Ashley from performing oral sex because he wanted to “make sure she enjoyed herself, too.” Nick stated that they started kissing again and eventually had sex. When asked who removed

³ When told of Nick’s account that she turned toward him and was kissing him back and stuff, Ashley stated, “Yeah, I guess I maybe turned toward him a little and was moving my lips, but it’s not like I was aggressively kissing him or super into it. I mean, I didn’t want it to be awkward.”

Ashley's underwear, Nick stated that Ashley took off her own underwear.⁴ When asked what position they were in while having sex, Nick stated that he was on top, which was "pretty typical." When asked what words or overt actions indicated that Ashley consented to intercourse, Nick stated, "well, I would say, her kissing me, going down on me and taking off her underwear." Nick stated that sex often happened like that; they "didn't have a conversation about it every time; things just progressed, and [they] both participated." He stated that they talked early on in their relationship about how they would say something if there was ever anything they didn't want to do or didn't feel comfortable with. When asked if oral sex was always a part of how things progressed to intercourse, Nick stated, "no, sometimes there was no oral sex; sometimes we just did oral sex and didn't have intercourse."⁵ When told of Ashley's account that Nick removed her underwear, Nick stated, "No, I'm pretty sure she took them off herself." When told of Ashley's account that she didn't really actively participate, Nick stated, "Well, it's not like she took charge or anything, but she, like, had her arms around me, she was kissing me, and she was, you know, thrusting her hips."

July 25, 2020—Ashley's Apartment (the next morning)

Ashley's Account

Ashley stated that Nick spent the night and the next morning while he was in the bathroom, she took his phone and started deleting the pictures she had sent him. Ashley stated that when Nick walked in the room and saw what she was doing, he got upset and they started fighting again. When asked what they each said, Ashley stated, "I don't remember everything. He said something like he couldn't handle my insecurity and I was always paranoid." Ashley stated that

⁴ When asked if she performed oral sex on Nick, Ashley stated that her memory was "fuzzy," but she thought that she did perform oral sex. Ashley stated that she remembered feeling like she had to "do something" because Nick was "so insistent." Ashley stated, "I remember thinking that if I just gave him head he would be satisfied and we could go to sleep. But then the next thing I remember is him taking off my underwear and having sex with me." When asked what words or overt actions indicated that Nick consented to her performing oral sex on him, Ashley stated, "well, I don't remember how it started, but Nick was always asking me to give him head; there wasn't an issue with consent." When told of Nick's account that she removed her own underwear, Ashley stated that she was "sure that Nick was the one to take them off." When told of Nick's account that she removed his boxers before engaging in oral sex, Ashley stated, "that may be; I don't remember that clearly. It's all a bit spotty, but I have a distinct memory of Nick removing my underwear." Ashley stated that she felt like she "gave into having oral sex, but [she] never wanted to have intercourse that night."

⁵ When asked if she and Nick engaged in oral sex at other times during their relationship, Ashley stated that they "often did, but not every time they had sex." Ashley stated, "oral sex is sometimes how things end, and that's what I was hoping for that night. I was just so tired and out of it and was feeling so bad about my body. I just, you know, wanted the night to be over."

they had had a fight another time after she was looking through messages on his phone “to make sure he wasn’t cheating on [her],” so Nick was “especially mad that [she] had taken his phone again.” Ashley stated that she apologized and started crying, but that Nick told her he wanted to break up. Ashley stated that she tried to “talk him out of it, but he wouldn’t listen.” Ashley stated that Nick then left and they have only spoken briefly one time when they met to exchange some of their things that they left at each other’s apartments.

Ashley stated that after they broke up, she ran into her friend, Lauren later in the day. Ashley stated that Lauren “must have been able to tell that something was wrong” because she asked Ashley if she was ok. Ashley stated that she told Lauren that she was hung over and that she and Nick had broken up that morning. Ashley stated that she told Lauren she didn’t want to talk about it.

Ashley stated that she went home to her parents’ house soon after the breakup because her summer classes had ended. Ashley stated that she “thought [she] could just forget about the whole thing.” Ashley stated that she “definitely wasn’t able to forget it,” but she did think about it a lot and “got some perspective about it all.” Ashley stated that after she came back to school for the fall semester and saw Nick, she “knew [she] had to do something” and decided to report what had happened.

Nick’s Account

Nick stated that he stayed the night with Ashley, but in the morning he caught her deleting the pictures from his phone while he was out of the room. Nick stated that Ashley was “super paranoid” about him and other girls and would often look at his phone to “check up on him.” Nick stated that they had fought about it so many times and he “just couldn’t take it anymore.” Nick stated that they fought about the pictures and her looking at his phone and her body issues. Nick stated that he “finally told her that [he] couldn’t handle all of her issues and [he] wanted to break up.” Nick stated that she started crying and apologizing, but he “told her it was over.” Nick stated that he has seen Ashley a handful of times around campus and once when they met to return each other’s belongings.

Lauren’s Account

Lauren stated that she saw Ashley the day after they had been at Nick’s apartment. Lauren stated that she could tell that Ashley had been crying, so she asked what was wrong. Lauren stated that Ashley told her that she and Nick had broken up, but she “didn’t go into the details.” When asked if they talked about anything else during that encounter, Lauren stated, “We didn’t talk long. Ashley said she wasn’t feeling well, she was still recovering from the night before, so she was going to go take a nap.”

Excerpts from Party Response Statements

Excerpt from Ashley's Response to the Investigation Report

Nick's claim that he was trying to stop the other guys from looking at the pictures of me is not at all believable. He was sitting in a chair a few feet away from the other guys. It is obvious from everyone's testimony that the only reason the guys stopped looking at the pictures was because I walked in the room.

I was sexually assaulted that night. I didn't even have capacity to consent to any of it because I was too intoxicated. Plus, I gave no words or actions that indicated that I wanted to have sex with Nick that night. In fact, I said I wasn't in the mood and told him to stop when he tried to touch me. And I only ended up going along with it in the end because Nick wouldn't take no for an answer.

Excerpt from Nick's Response to the Investigation Report

The investigator interviewed my current girlfriend, but didn't mention a word from her interview in the report. Her testimony should have been included.

I feel so bad that those guys saw the pictures of Ashley that she sent me. If I could go back, I wouldn't have said anything to the guys about them. But I never showed the guys the pictures. Tyler took my phone from me. It wasn't something that I wanted to happen.

Ashley did not even mention during her first interview that she performed oral sex on me. That shows that she has no credibility. How can she claim that she "wasn't in the mood" to have sex when she initiated oral sex right before intercourse? Maybe she was worried that if she admitted to the oral sex it would show that she *was* an active participant in our sexual encounter that night and that she *did* consent to having sex. Or maybe she didn't want to mention it because she knew that she never got consent from me for the oral sex. Whatever her reason, it is clear that she has not been forthcoming during this investigation. Her account should not be believed.

Ashley is alleging that she felt like she had to have sex with me, but I never pressured her into anything. All I was trying to do was to make her feel better and not be so self-conscious. The only reason I even wanted to have sex that night was because she was feeling so bad about herself. I wanted to reassure her.
