Getting started

Augie's Policy

Augustana has a campus copyright policy to help you make decisions about what you can use. The policy can be found here: <http://www.augustana.edu/x34587.xml>
(Also known as the Library's Policies page).

Going Digital

May I Moodle this?

We're delighted you want to make full use of Moodle. Just remember, you have to keep within fair use guidelines. Our general guideline is 10% or less of a book or 1 article from a periodical.

Cite, cite, cite!

Give credit where credit is due

Just as you would attribute your sources in professional papers, you must note your sources for "Moodlized" documents and presentations.

All Access Assistance

HELP!

If you still have concerns, Carla Tracy and Christine Aden are happy to answer your copyright questions.

Blended learning

Picture this!

Copyright covers pictures, as well as written text. When prepping presentations, you may wish to use Image Quest (available on the library's website under images) for copyright-free photos.
