

Copyright

How much may I use?

Rule of thumb: 10% of a book or 1 article from an issue of a periodical. Or basically, only up to the middle of the pinky finger.

Copyright math:

Cutting 2 1/2 page illustrations does not equal 1 page of text.
Even if you only use 1/2 a page of text, it counts as a page.

For more information about the Augustana Copyright Policy, go to <http://www.augustana.edu/x34587.xml>. (This is also known as the Library's Policies page.)
