

Augustana College Coordinated Degree Program Agreement for Veterinary Medicine

Name _____

ID _____

Augustana Coordinated Program Advisor _____

Major _____

Requirements of the program

Coordinated Degree Program at Augustana with College of Veterinary Medicine at University of Illinois; NOTE: Requires a 3.50 gpa, 3.50 Science gpa.

Required Courses - The following courses should be completed by the end of the first year: CHEM-121, CHEM-122, CHEM-123, Foreign Language if needed, First-Year Liberal Studies Courses (LSFY 101, 102 & 103), BIOL-200 Any term

The following courses should be completed by the end of second year: CHEM-311, CHEM-312, CHEM-313, BIOL-210, BIOL-220, BIOL-370

The following courses should be completed by the end of the third year: CHEM-411 Only fall term, PHYS-101, PHYS-102, PHYS-103, BIOL-360 or BIOL-362 and senior inquiry.

Three other courses of your choosing (excluding Immunology, Neuroanatomy, Histology)

The above course work totals 105 credits, thereby requiring 9 credits of overload, summer school or AP credit from high school. However, if the foreign language requirement has been satisfied, only 96 credits in specific courses are required. Note, a student wishing to earn an Augustana degree, should AVOID taking any of the following courses at Augustana: Immunology, Neuroanatomy, Histology. These courses, when taken at U. of Illinois, will fulfill the final requirements for your Biology Major at Augustana. A major in Chemistry would require a total of 116 credits or 107 if the foreign language requirement has been satisfied.

Additional useful courses:

Psychology 100 (Intro. To Psychology), Psychology 240 (Intro. To Statistics and Experimental Design; Prerequisites are Psych 100 and Permission of Instructor), Biology 308 (History of Biological Thought), Biology 310 (Evolutionary Biology), Biology 335 (Entomology), Biology 339 (Animal Behavior), Biology 343 (Microbiology), Biology 351 (Human Anatomy), Biology 373 (Developmental Biology), Biology 375 (Molecular Genetics), Biology 380 (General Ecology), Biology 387 (Aquatic Biology), Biology 455 (Cadaver Dissection; 1 credit, Take during 4th year)

Requirements of the Augustana Bachelor of Arts Degree. Student is responsible for:

- Completing a minimum of nine (9) terms of full-time enrollment at Augustana.
- Completing a minimum of 90 credits at Augustana (transfer and AP work cannot be included.)
- See that all General Education coursework is complete prior to enrollment at the receiving institution.
- Seeing that all transfer coursework from the receiving institution meets all requirements of the Augustana transfer policy (see catalog.)
- Communicating with the Augustana faculty advisor for particular advising needs.
- Applying to graduate within all published deadlines (see Academic Calendar.)
- Arranging to have official transcripts sent directly to the Office of the Registrar before the intended date of graduation.
- Adhere to all other degree requirements set-forth in the Augustana Catalog

I understand the requirements for my coordinated degree program as listed here and noted in the Augustana College Catalog. I understand, should I not meet these requirements, I have broken the contract with the college and Augustana has no obligation to award me my Bachelor of Arts degree. I may withdraw from the program by contacting the Office of the Registrar.
