

# **Augustana College, Rock Island, Illinois 2016 Annual Security and Fire Safety Report**

## **Reporting Crimes and Other Emergencies**

The Office of Police and Public Safety is a combination of sworn Augustana College police officers and non-sworn, unarmed Augustana College public safety officers. The police officers are employees of the college that have completed a certified police academy. These officers are the Chief and Deputy Chief of the department. They generally are on duty Monday-Friday from 7 a.m.-4:30 p.m. In addition there is one officer that normally works Friday-Tuesday 11 p.m.-7 a.m. These police officers have the power to arrest on college property, at a college-sponsored event or if an offense is committed in their presence. However, in the rare occasions when an arrest or investigation of a felony offense is warranted, the Rock Island Police Department usually will be asked to intervene.

Augustana public safety officers are on duty 24 hours a day. They are non-sworn, unarmed employees of the college who report violations of the Code of Social Conduct directly to the Dean of Students. Although Public Safety staff will handle minor disturbances or disputes between students, they will contact Augustana's sworn officers or the Rock Island Police Department when circumstances indicate that physical contact might be necessary to control a given situation. The Office of Police and Public Safety has a close working relationship with the Rock Island Police Department, the Rock Island County Sheriff's Office and the Illinois State Police.

A student-operated transportation service, Augustana College Express Service (ACES) (ext. 7550), is available usually beginning the third week of fall term. Normal operating hours are between 7 p.m.-1:50 a.m. every day of the week. The van will take students to and from campus and nearby off-campus locations.

All members of the campus community are encouraged to immediately report criminal actions or emergency situations to the Office of Police and Public Safety and/or the Rock Island Police Department. Situations not requiring emergency response can be reported to Police and Public Safety, Residential Life, the Dean of Students or the Office of Student Life and Leadership for referral. A confidential incident report may be filed through the Dean of Students webpage. To contact Police and Public Safety, dial 309-794-7711. To contact local emergency services including ambulances, Rock Island Fire and Police Departments, dial 9-911 if calling from a campus phone or 911 if using a non-campus phone.

## **Annual Security Report**

By October 1 of each year, the Annual Security and Fire Safety Report must be distributed to all enrolled and prospective students and current and prospective employees. Distribution is completed by electronic mail. The Annual Security and Fire Safety Report is posted on the Augustana website at <http://www.augustana.edu/student-life/security/crime-statistics>. The Chief of Police and Public Safety is responsible for gathering crime statistics from the department's report records and other college officials that have significant responsibility for student and campus activities. On an annual basis, the Office of Police and Public Safety makes every attempt to collect crime statistics for non-

campus and public property surrounding college property from the law enforcement agencies. Included in the 2016 Annual Security Report are required statistics for domestic violence, dating violence and stalking.

## **Timely Warnings**

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act 20 U.S.C. § 1092(f) hereafter referred to as the Clery Act, Augustana College will issue timely warnings to notify members of the campus community about certain crimes, defined by the Clery Act, when such crimes occur on the Augustana College campus locations or in close proximity to the campus and the crime represents a serious or continuing threat to members of the campus community. A timely warning shall be issued within a reasonable amount of time after the incident has been reported to the Augustana College Office of Police and Public Safety or a campus security authority. Timely warnings may also be issued for non-Clery Act events such as a local severe weather warning. These incidents shall be evaluated on a case-by-case basis taking into account the frequency of the offense, likelihood for additional occurrence, continuing danger to the campus community and risk of compromising law enforcement efforts to resolve the case in a timely manner. The decision to issue a timely warning is made through a consultation between the Office of Police and Public Safety, the Office of the Dean of Students and other offices of the college as appropriate.

## **Emergency Response – Emergency Response and Evacuation Procedures**

Augustana College maintains all-hazards Campus Emergency Operation and Campus Violence Prevention Plans in coordination with local emergency response agencies. The Chief of Police or his/her designee will notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of the Augustana College community. The validity of existing emergency situations will be confirmed by credible eyewitness reports from police and public safety officers and college employees. Other officials or emergency management personnel may need to be consulted regarding incidents such as severe weather conditions, hazardous materials spills or facility-related issues. Once the type of emergency and emergency response required has been determined, emergency response resources will be contacted and the appropriate emergency notifications will be promptly disseminated via the emergency notification systems and other information pathways. Taking into account the safety of the community, a determination will be made as to the appropriate segment of the campus community to receive a notification. After determining the content of the notification to be broadcast, Augustana College will initiate the emergency notification system. The emergency notifications will be made by Augustana College Police and Public Safety officials or the Office of Public Relations and will be disseminated via the college's E2Campus emergency notification network, voice mail alert, campus-wide email, and the college's official social media sites. If it is determined the emergency or dangerous situation threatens communities surrounding our campuses, local emergency services will be notified. Emergency notifications may only be withheld if, in the professional judgment of the responsible authorities, the warnings will compromise efforts to assist victims or to contain, respond to or otherwise mitigate the emergency. Augustana College tests its emergency response and evacuation procedures on a quarterly basis. Each test is documented with

the description of the exercise, date, time and whether it was announced or unannounced. Emergency tabletop exercises are conducted annually by Augustana College administrators and stakeholders in accordance with the Illinois Campus Security Enhancement Act of 2008 (110 ILCS 12/20). Through its efforts, Augustana College has been recognized by the State of Illinois and has received the Ready to Respond seal.

## **Security of and Access to Campus Facilities**

*The following information is intended to outline the measures taken to ensure the safety and security of the various facilities on the Augustana campus.*

### **Academic Buildings**

Each of the various academic buildings are locked down at their specified closing time (a detailed listing of the specific building closing times can be found in *Inside Augustana*) by a staff member of the Office of Police and Public Safety. This procedure involves a complete walkthrough of the building and ensuring that all exterior entrances are secured. This lockdown is followed by a second check during the overnight hours.

### **Contractor Procedures**

All outside contractors who find it necessary to enter any student living area are required to register with the Office of Police and Public Safety Dispatch Center on the lower level of Sorensen Hall on a daily basis. Any keys which are required by the contractor for the completion of the work are checked out on a daily basis by the contractor and are required to be returned at the end of the work day.

All Augustana employees who enter or work in student living areas are expected to be in uniform. Additionally, all employees are provided with a photo ID badge. In the event they are not in uniform, they are expected to wear the photo ID on display.

### **Residence Halls**

The five primary residence halls are secured 24 hours a day with access to the building lobby regulated via a proximity card access system. Additionally, each of the halls features a second level of security which restricts access to the student living areas to building residents. A full-time Residential Life staff member is on call 24 hours a day for emergencies that occur in either the residence halls or transitional living areas.

### **Transitional Living Area (TLA) Housing**

Students living in other college-owned housing (transitional living areas) are expected to keep all exterior entrances to the residences locked 24 hours a day.

### **Camera Surveillance System**

Augustana College uses a network of security cameras to monitor the entryways of our residence halls as well as other high profile areas of the campus. These cameras are recorded in the Dispatch Center of the Office of Police and Public Safety. Dispatchers sometimes monitor these cameras but do not actively view them at all times.

## **Campus Law Enforcement Policy**

The Office of Police and Public Safety is a combination of sworn, armed Augustana College Police Officers and non-sworn, unarmed Augustana College Public Safety Officers. These Police Officers received their authority from the Illinois Compiled Statutes, Private College Campus Police Act, Chapter 110, Act 1020, Section 1, which states, “The Board of Trustees of a private college or private university, may appoint persons to be members of a campus police department. The Board shall assign duties, including the enforcement of college or university regulations, and prescribe the oath of office. With respect to any such campus police department established for police protection, the members of such campus police department shall be persons who have successfully completed the Minimum Standards Basic Law Enforcement Training Course offered at a police training school established under the Illinois Police Training Act, as such Act may be now or hereafter amended. All members of such campus police departments must also successfully complete the Firearms Training for Peace Officers established under the Peace Officer and Probation Officer Firearm Training Act. Members of the campus police department shall have the powers of municipal peace officers and county sheriffs, including the power to make arrests under the circumstances prescribed in Section 107-2 of the Code of Criminal Procedure of 1963, as amended, for violations of state statutes or municipal or county ordinances, including the ability to regulate and control traffic on the public way contiguous to the college or university property, for the protection of students, employees, visitors and their property, and the property branches, and interests of the college or university, in the county where the college or university is located. Campus police shall have no authority to serve civil process”. The Augustana Police Officers have jurisdiction within the State of Illinois with their primary patrol activity being the main Augustana campus located between 30<sup>th</sup> Street and 39<sup>th</sup> Street, and 5<sup>th</sup> Avenue and 14<sup>th</sup> Avenue, Rock Island, Illinois.

## **Working Relationship With State and Local Law Enforcement**

The Office of Police and Public Safety has a close working relationship with the Rock Island Police Department, the Rock Island County Sheriff's Office and the Illinois State Police. Reporting of criminal activity and alcohol-related violations that occur during events sanctioned by the college at off-campus locations is facilitated through contact with the police department of the city the event occurred.

## **Daily Crime Log**

The Dean of Students and the Office of Police and Public Safety publish an annual crime report. A daily log of reported crimes is maintained by the Office of Police and Public Safety and is available weekdays between the hours of 7 a.m.-4 p.m. at the Police and Public Safety Dispatch Center on the ground floor of Sorensen Hall 639 – 38th Street Rock Island, Ill.

## **Security Awareness Programs**

Beginning with orientation during the fall term and continuing throughout the year, security is a highly visible topic on campus. “Security Week” is held during the first few weeks of the fall term

and serves to reinforce the introduction to safety issues which were presented during New Student Orientation. Throughout the year both the Offices of Residential Life and Student Life and Leadership staff provide safety information for on- and off-campus residents. Programs during the year range from involving members of single residence hall floors taking greater precaution when securing their rooms, to an all-campus speaker sharing insights about acquaintance rape. Other topics offered deal with alcohol use, drug abuse, maintenance of property/home security, sexual assault, situational liability for the safety of others and personal protection. In the evening hours the College has a van shuttle service called the Augustana College Express Service. This is a free service for any registered student to be taken to any on campus building. ACES will also take student to their off campus house. The service is open seven days per week from 7 p.m. to 1:50 a.m. The college also employs student to perform foot patrol of the main campus. These are normally two hours in duration where the students have radio access to the Public Safety Dispatch Center to report any odd or unusual occurrences they observe. The college has several blue light emergency phones throughout the campus. These phones when activated will call the Public Safety Dispatch Center.

Each spring, information on safety issues is offered to students considering moving off campus. Juniors are required to attend this program, which educates students about the risks of living independently and provides practical information for creating safer environments.

The safest campus is one in which all members feel welcomed and respected. Augustana College is committed to providing an environment where not only behaviors that we normally define as “crimes” are reported, investigated and dealt with, but also behaviors that may cause members of our community to not feel welcomed. This goal must be balanced with the need for open expression of ideas, which is the foundation of serious academic study. Behaviors that are insensitive to individuals or groups should be reported promptly to the Office of Police/Public Safety, Dean of Students or any Title IX Coordinator.

## **Crime Prevention Programs**

*Run-Hide-Fight* is a video released by the Department of Homeland Security with strategies on how to survive a mass shooting. This video is distributed to the campus community. The concepts are:

- Run if a safe path is available. Always try to escape or evacuate even if others insist on staying.
- Encourage others to leave with you but don't let the indecision of others slow down your own effort to escape.
- Once you are out of the line of fire, try to prevent others from walking into the danger zone and call 911.
- If you can't get out safely, find a place to hide.
- When hiding, turn out lights, remember to lock doors and silence your ringer and vibration mode on your cell phone.
- As a last resort, working together or alone, act with aggression, use improvised weapons and fight.

Awareness Programs: programs, activities and speakers whose purpose is to increase student awareness of safety issues and motivate students to behave with greater attention to their safety and the safety of others.

Bystander Intervention: behaviors undertaken by third parties to stop a potential perpetrator from harassing, annoying or assaulting another person.

## **Drug and Alcohol Policy**

The presence of alcoholic beverages at college-recognized student organization events is subject to the following:

If alcoholic beverages are present at an event sponsored by an Augustana student organization, no one other than the person who purchased them (who must be at least 21 years of age) may consume them.

All student organizations shall be in accordance with state and local laws and college rules and regulations governing the consumption of alcohol. In particular, minors may not possess alcohol, and no student shall purchase for, serve to, or sell alcoholic beverages to others. All officers of the recognized student organization, individually and collectively, as well as the organization itself, shall be responsible for the full compliance of their organization with this policy.

No student organization or individual is permitted to purchase alcohol for use by an organization (i.e., dues or spontaneous collections of money among members may not be used). However, organizational funds may be used to finance a catered event where alcohol is available for purchase from a licensed vendor on an individual basis. This policy prohibits the selling of items which allow the purchasers access to free or reduced priced alcoholic beverages. This includes but is not limited to tickets, wristbands, T-shirts, cups, etc.

No distilled spirits or bulk containers (e.g., kegs, party balls, wine cartons) of alcohol are allowed at any student organization function, except when provided and dispensed by a licensed vendor.

Non-alcoholic beverages and food must be available at any organizational function where alcohol is being consumed.

No event that includes the continued consumption of alcohol shall be planned or promoted under the name of Augustana College or any college recognized student organization. Prohibited events include bar/pub crawls, progressive drinking parties or themes, bar-hopping events, and competitive games or contests involving alcohol.

Student organizations planning to have alcohol at an academic event must register with the Office of Student Activities at least 48 hours prior to the event.

For many reasons, including the safety of students and the Illinois law that prohibits drinking for persons under 21, the college does not allow alcohol use on campus except in some transitional living areas (TLAs) and at special occasions catered by the Augustana Dining Service. The college advocates an atmosphere that encourages abstinence from alcohol to protect those who could be

injured or annoyed by the behavior of persons who might use alcohol irresponsibly. Still, recognizing the reality of alcohol consumption in our culture, the college respects the student's choice to drink legally and responsibly. Further, the college recognizes that some individuals who choose to use alcohol may develop difficulties in controlling their behavior, and that these persons may require professional assistance. In support of these concerns, the college offers a multifaceted program designed to educate the campus community about alcohol and encourage responsible decision-making concerning alcohol use while providing individual assistance to those who ask, or whose behavior indicates a possible abuse problem.

The Residential Life staff, along with the Associate Dean and Vice President of Student Life and the Office of Student Life and Leadership, offers a variety of educational programs throughout the year that address alcohol use. Augustana observes Alcohol Awareness Week and provides special activities during this time. GAMMA, a part of the college's Greek system, promotes responsibility in the use of alcohol and provides a yearlong sequence of social events designed to show students that they can have fun without abusing alcohol.

The college's primary means of monitoring the use of alcohol by students occurs in the residence halls. Because of their proximity to students, the Residential Life staff is in a position to observe problem behaviors and have conversations about the abuse of alcohol. Community advisors are trained to intervene through one-on-one contacts and to make referrals to their residence director or area coordinator. For violations of the Code of Conduct, the Dean of Students may initiate judicial action.

Persons providing alcoholic beverages to students, either on or off campus, will be held responsible for the consequences of their actions. The college has imposed \$1,000 fines and otherwise penalized individuals providing alcohol to students when that conduct has jeopardized the health or physical safety of the recipient.

In regard to drugs, the college distinguishes between alcohol and other drugs.

## **Alcohol & Illegal Drug Abuse**

The following policy was adopted in conformance with the requirements of the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989. The object of the policy is to provide a drug-free workplace and campus and to assist employees and students with problems related to alcohol and illegal drug abuse.

It is the policy of Augustana College that the unlawful manufacture, distribution, dispensing, possession or use of controlled substances is prohibited anywhere on its premises or property or as a part of any college-related activity. Any employee or student of the college found to have violated the above rule shall be subject to disciplinary action in accordance with published procedures up to and including dismissal. Where appropriate, the college reserves the right to refer individuals for treatment in lieu of disciplinary action.

Members of the college community are reminded that illegal manufacture, distribution, dispensing, possession or use of controlled substances also may subject individuals to criminal prosecution and penalties that may include fines and/or incarceration. If the situation merits, the college will refer individual cases for appropriate legal action.

As a condition of employment or enrollment, all employees and students of Augustana College shall abide by the terms of this policy and will notify their supervisors and the Business Office (in the case of employees) or the Office of Student Life (in the case of students) of any criminal drug statute conviction for a violation occurring on the college premises or property, or as a part of any college-related activities. Notification must be made no later than five days after such conviction. For purposes of this policy, “conviction” means a finding of guilt or imposition of sentence, or both, by any federal or state judicial body. Failure to report such a conviction may result in immediate dismissal.

The term “controlled substance” as used in this policy means those substances included in Schedules I through V of Section 202 of the Controlled Substances Act. The term does not include the use of a controlled substance in conformation with a valid prescription or other uses authorized by law.

It also is the policy of Augustana College that the possession, use or distribution of alcoholic beverages on its premises or property or as a part of any college-related activities is prohibited. This includes alcoholic beverages found in lockers or residence hall rooms. An exception to this policy is that alcoholic beverages may be served and consumed by employees at special meetings or events which are catered by Augustana Dining Services or at which the Office of Student Life has approved the serving of such beverages. Also excluded are the private apartments of residence hall directors. An employee or student who violates this policy will be subject to discipline, up to and including dismissal. Employees who report to work under the influence of alcohol will not be permitted to work that day and may be subject to further discipline.

Augustana College provides regular programming and materials aimed at alerting its students, faculty and staff to problems relating to alcohol and drug abuse. Included in this section is a chart summarizing the effects and health risks associated with the use of illicit drugs and alcohol. However, the primary resources utilized for the prevention and treatment of alcohol and drug abuse are professionals, agencies and clinics located within the Quad-City area.

The college takes the position that, except in matters of disciplinary referral, the decision to seek diagnosis and accept treatment for alcohol and drug problems is the responsibility of the employee and student. The decision to seek treatment will not be detrimental to job security or student status. Because supervisors, managers, department directors or chairs and most faculty are not professionally qualified to identify substance abuse, referrals by them are based on unsatisfactory job or school performance. At the point at which the college is involved, the right to confidentiality will be respected in both informal and formal procedures, insofar as possible.

There is a biennial review of the drug prevention program to determine its effectiveness, to implement changes in the program if they are needed and to ensure that its disciplinary sanctions are being consistently enforced. They will be conducted by the Health and Safety Committee with recommendations forwarded to the Business Office and to the Office of Student Life.

The following is provided to give a brief guide to the effects of alcohol and a variety of commonly abused drugs and to the criminal penalties that may accompany the conviction for the illegal manufacture, distribution, dispensing, possession or use of controlled substances.

**Alcohol**

Alcohol consumption causes a number of marked changes in behavior. Even in low doses, alcohol can significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol can increase the incidence of a variety of aggressive acts, including spousal and child abuse. Moderate to high doses of alcohol can cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses can cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, also can lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk of becoming alcoholics than other children.

## **Drug and Alcohol Counseling Services on Campus**

On-campus counseling services are available in 206 Founders Hall. The Augustana counseling staff can perform limited drug and alcohol counseling on a case-by-case basis. Students that need intensive therapy are referred to local drug and alcohol counseling practitioners.

## **Sex Crime Prevention and Policy**

### **Policy Against Sex Discrimination, including Sexual Harassment and Sexual Misconduct, and Other Interpersonal Misconduct**

#### **Policy Statement Regarding Sex Discrimination**

It is the policy of the College to provide a work and educational environment free of all forms of sex discrimination, including but not limited to unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment, as defined in this policy and as otherwise prohibited by state and federal statutes. Sexual harassment, including acts of sexual assault and sexual violence, is a form of sex discrimination and is prohibited by the policies of Augustana College as well as state and federal laws. Sexual harassment is contrary to the most fundamental ethical canons of the academic community. This prohibition against discrimination on the basis of sex applies to all students, faculty, administration and staff, to other members of the College community, and to contractors, consultants, and vendors doing business or providing services to the school.

Sexual harassment includes unwelcome sexual advances, requests for sexual favors and other verbal, written or physical conduct of a sexual nature where:

- a) submission to or rejection of such conduct is used as the basis of an academic or employment decision or is either an explicit or implicit term of employment or admission to any college program or college-related activity, or
- b) such conduct is sufficiently serious (i.e., severe, pervasive, or persistent) and objectively offensive so as to deny or limit a person's ability to participate in or benefit from the College's programs, services, opportunities, or activities; or
- c) such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance.

Examples of such conduct may include repeated comments about a person's physical appearance, sexually suggestive remarks or insults; displays of sexually suggestive material, unwelcome advances such as touching, patting, caressing, kissing or sexual propositions and sexual advances accompanied by threat of punishment or promise of reward including the withholding or giving of grades and promotions.

## Prohibited Sexual Misconduct

Augustana College affirms its commitment to create and maintain an environment free from acts of sexual misconduct and to foster within that environment respect for the dignity of all members of the community. Accordingly, Augustana College will not tolerate acts of sexual misconduct.

**Sexual misconduct** includes **sexual assault, inducing incapacitation for sexual purposes, sexual exploitation and domestic or dating violence**. These terms are defined below.

Sexual assault means an actual or attempted sexual contact with another person without that person's consent. Sexual assault includes, but is not limited to:

- Involvement in any sexual contact when the victim is unable to consent. Intentional and unwelcome touching of, or coercing, forcing, or attempting to coerce or force another to touch a person's intimate parts (defined as genital area, groin, inner thigh, buttocks, or breast).
- Sexual intercourse without **consent**, including acts commonly referred to as “rape.”

Consent is informed, freely given, and mutual. If coercion, intimidation, threats, or physical force are used there is no consent. If a person is mentally or physically incapacitated so that such person cannot understand the fact, nature or extent of the sexual situation, there is no consent; this includes incapacitation due to alcohol or drug consumption, or being asleep or unconscious. There is no consent when there is force, expressed or implied, or use of duress or deception upon the victim. Silence does not constitute consent. Past consent to sexual activities does not imply ongoing future consent. Whether an individual has taken advantage of a position of influence over an alleged victim may be a factor in determining consent.

**Inducing incapacitation for sexual purposes** includes using drugs, alcohol, or other means with the intent to affect or having an actual effect on the ability of an individual to consent or refuse to consent (as “consent” is defined in this policy) to sexual contact.

**Sexual exploitation** occurs when a person takes non-consensual or abusive sexual advantage of another for anyone's advantage or benefit other than the person being exploited, and that behavior does not otherwise constitute one of the preceding sexual misconduct offenses.

Examples of behavior that could rise to the level of sexual exploitation include:

- Prostituting another person;
- Non-consensual visual (e.g., video, photograph) or audio-recording of sexual activity;
- Non-consensual distribution of photos, other images or information of an individual's sexual activity, intimate body parts or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
- Exceeding the boundaries of consent;

Engaging in non-consensual voyeurism;  
Knowingly transmitting an STI, such as HIV, to another without disclosing your STI status;  
Exposing one's genitals in non-consensual circumstances, or inducing another to expose his or her genitals;  
Possessing, distributing, viewing or forcing others to view illegal pornography.

### **Other Prohibited Interpersonal Misconduct**

Other interpersonal misconduct prohibited by this policy includes domestic violence, dating violence, and stalking.

**Dating Violence** and **Domestic Violence** is the intimidation, harassment, physical abuse or interference with personal liberty of any person who is a current or former spouse, intimate partner, domestic partner, dating partner, or member of one's family or household.

Individuals encompassed in this definition include, but are not limited to: Persons who have or had had a dating or engagement relationship; persons who have or have had a social relationship of a romantic or intimate nature; current or former spouses, domestic partners, parents, children, stepchildren and other persons related by blood or by current or prior marriage; persons who share or formerly shared a common dwelling; persons who have or allegedly have a child in common; persons who share or allegedly share a relationship through a child; and personal assistances and personal caregivers for the elderly or disabled.

**Stalking** means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress.

### **Reporting Requirement**

All employees<sup>1</sup> of Augustana College are required to promptly report suspected violations of this policy, even if the individual who was or is the victim has not filed a complaint. The report can be made to a Title IX Coordinator or to the Augustana Chief of Police/Public Safety.

<sup>1</sup> *Counselors and College Chaplains are not required to report suspected violations as they have professional obligations to maintain the confidentiality of their clients.*

### **Retaliation**

Retaliation is strictly prohibited by Augustana College as well as Title IX. *Retaliation* is action taken by an accused individual or an action taken by a third party against any person because that person has opposed any practices forbidden under this policy or because that person has filed a complaint, testified, assisted, or participated in any manner in an investigation or proceeding under this policy. This includes action taken against a bystander who intervened to stop or attempt to stop discrimination, harassment, or sexual misconduct. Retaliation includes intimidating, threatening, coercing, or in any way discriminating against an individual because of the individual's complaint or

participation. Action is generally deemed retaliatory if it would deter a reasonable person in the same circumstances from opposing practices prohibited by this policy.

## **Reporting Title IX Violations**

### **Campus Reporting**

As noted in the Policy Against Sex Discrimination, Sexual Harassment & Sexual Misconduct (the Policy), all College employees are obligated to share with the Title IX Coordinator or a member of the Title IX team any information they receive regarding an incident of sexual misconduct or other interpersonal misconduct of which they become aware unless they are expressly prohibited by law from disclosing such information. At Augustana, counselors in the Counseling Center and the Campus Pastors are not required to disclose the information as they have professional obligations to maintain the confidentiality of their clients. Anyone who feels that s/he has been the victim of sex discrimination, sexual harassment, sexual misconduct, or other interpersonal misconduct as defined in the Policy is encouraged to bring it to the attention of the Title IX Coordinator or a member of the Title IX team for assistance. The Title IX team at Augustana College consists of the Title IX Coordinator, the Deputy Title IX Coordinators, and the Augustana Chief of Police/Public Safety.

The Title IX team is responsible for the prompt and impartial review, investigation and resolution of all reports of alleged violations of the Policy, along with the provision of interim remedies and measures to support all individuals involved and to ensure that they are treated with dignity and care. They are empowered to provide interim remedies and measures to support all individuals involved in these situations and to protect the safety of the campus community through these measures. The scope of the team's responsibilities includes addressing off-campus conduct that affects members of the Augustana community as well as on-campus conduct.

Laura Ford, director of human resources, is Augustana's lead Title IX coordinator. She may be contacted at [lauraford@augustana.edu](mailto:lauraford@augustana.edu) or 309-794-7452.

### **Off-Campus Reporting**

The College encourages all individuals who feel they have been victims of sexual misconduct or other interpersonal misconduct to seek immediate assistance from a medical provider for emergency services, including treatment of any injury, and to collect and preserve physical and other forms of evidence. Seeking medical attention preserves the full range of options, including the options of working through the College's grievance procedures and/or filing criminal complaints. Students are also reminded of the importance of preserving evidence as may be necessary to the proof of criminal domestic violence, dating violence, sexual assault, or stalking, or in obtaining an order of protection.

A victim has the option to pursue a criminal complaint with the appropriate law enforcement agency, to pursue a complaint with the College or to pursue both processes consecutively or concurrently. Unless deemed necessary by the Title IX team or requested by an alleged victim, the College will not contact law enforcement outside of Augustana Police/Public Safety. In addition to having the option of pursuing a criminal complaint, victims also have the option of exploring whether they might be entitled to an order of protection, no contact order, restraining order, or

other similar orders issued by a criminal or civil court. For more information about such orders see <http://www.illinoisattorneygeneral.gov/women/victims.html>.

The Title IX team will assist victims with transportation to a hospital if they so request, with making contact with appropriate law enforcement authorities upon request and with accessing all appropriate resources and support, including on- and off-campus confidential victim services and sexual violence crisis support. Any pending criminal investigation or criminal proceeding may have some impact on the timing of the College's investigation, but the College will commence its own investigation as soon as is practicable under the circumstances. The College reserves the right to commence and/or complete its own investigation prior to the completion of any criminal investigation or criminal proceeding.

Augustana's authority to sanction members of the College community applies only to the violation of College rules, policies and procedures. Legal action to pursue either civil or criminal proceedings may be initiated by contacting the police or the State's Attorney. Students who believe they are the victims of a crime as defined by federal and state laws are encouraged to report to law enforcement authorities as the legal system of the State of Illinois offers recourse through law enforcement officials and the courts. The College's Title IX Coordinator and the Augustana Police/Public Safety are available to assist students with any reports they might wish to make to law enforcement authorities.

### **Confidential Reporting**

Individuals who feel they have been victims of sexual misconduct may require time and support in reaching the decision as to whether to make formal complaints. There are confidential resources on campus and in the community available to individuals who do not wish to make a formal report to campus authorities or who wish to speak with a confidential resource in addition to making a formal report. These resources include:

### **Additional Reporting Information**

The College encourages individuals to report as soon as practically possible, but there is no time limit on reporting. The College will undertake an investigation of past events, but it cannot typically impose disciplinary sanctions on an individual who is no longer a member of the Augustana community (e.g., a student who has graduated or an individual who is no longer in the employ of the College).

In order to encourage the reporting of alleged misconduct, the College will not pursue disciplinary action against any student (including a Complainant or third party witness) involved in the investigation of a violation under this Policy who has violated College policy regarding alcohol or other drugs provided that such violations did not/do not place the health or well-being of any person at risk. While disciplinary action will not typically be pursued, the College may pursue educational interventions for such policy violations.

### **Investigation & Grievance Procedures: Alleged Student Violations**

The College has established a Policy Against Sex Discrimination, including Sexual Harassment and Sexual Misconduct, and Other Interpersonal Misconduct ("Policy") that articulates conduct prohibited by the College. The Policy and these Investigation and Grievance Procedures outline the College's approach to addressing reports of suspected Policy violations by a student, taking into account the College's status as a private institution of higher education and its unique mission and culture. Because the College's approach to resolving alleged or suspected violations of the Policy is grounded in its mission and purpose as an educational institution, its approach to resolving alleged or suspected violations of the Policy is educational, rather than legal or judicial. As a result, the College retains the discretion to exercise its academic and educational judgment in investigating and resolving alleged or suspected violations of the Policy in a manner that is consistent with the various anti-discrimination laws that apply to its programs.

The College is committed to promptly, fairly, impartially, and equitably resolving alleged or suspected violations of the Policy. In most cases, the College's investigation and resolution of alleged violations, including the issuance of any sanctions, will be completed within 60 days. The College's ability to investigate in a particular situation, or the extent of the investigation in any given situation, may be affected by any number of factors, including whether the complainant is willing to file a complaint or to consent to an investigation, the location where the alleged conduct occurred, and the College's access to information relevant to the alleged or suspected violation of the Policy. The College is nonetheless committed to investigating and resolving all alleged and suspected violations of the Policy to the fullest extent possible under the circumstances. In instances where an

alleged or suspected victim of conduct that violates the Policy is unwilling or unable to file a complaint, the College, through a representative selected by the College, may elect to proceed with a complaint and to seek resolution of the complaint in accordance with the Investigation and Grievance Procedures described below or other process that resolves the complaint in a manner consistent with applicable law and relevant OCR or other governmental guidance. In any case, the unwillingness of an alleged victim to proceed with a complaint is not a violation of this policy.

These Investigation and Grievance Procedures ("Procedures") apply to all suspected or alleged violations of the Policy by students and will be used in place of the Augustana Code of Social Conduct or any other student conduct policies or procedures used to address other alleged misconduct involving students. In addition, any sanctions or other corrective actions imposed against students who violate the Policy shall be imposed pursuant to these Procedures, rather than pursuant to the Code of Social Conduct, Student Judiciary procedures, or any other set of policies and procedures governing student conduct, unless the College determines in its discretion that the Code of Social Conduct, Student Judiciary procedures, or other policy governing student conduct should be used to resolve a particular matter. In addition, the College may, upon finding of good cause, modify these Procedures in the interests of promoting full and fair resolution of suspected or alleged violations of the Policy in accordance with applicable law. The College officials responsible for investigating and resolving alleged violations of this Policy in accordance with these Investigation and Grievance Procedures will receive annual training on issues related to sexual assault, dating violence, and domestic violence, and how to conduct an investigation and hearing process that protects the safety of complainants and promotes accountability.

### **Confidentiality**

In matters involving incidents of sexual misconduct or other interpersonal misconduct, requests for confidentiality will be respected to the extent allowable under federal and state law, and information pertaining to such incidents will be treated with sensitivity and disseminated with care when it is necessary to do so for purposes of conducting an investigation or taking appropriate corrective action. However, the College reserves the right (as permitted or required by applicable law) to issue timely warnings and make other announcements to the College community when the College determines that there is a serious or continuing threat to members of the college community or that there is another significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees on the College's campus. In making such announcements to students and employees, the College will withhold the names of victims as confidential to the greatest extent permitted by law. Under federal law, the College must report the occurrence of certain designated crimes that occur on campus or in certain other designated areas, including forcible and non-forcible sex offenses as defined by the federal government, in an annual security report that is submitted to the U.S. Department of Education. This annual security report does not include personally identifiable information.

### **Initial Response, Interim Measures, and Investigation**

#### **Initial Response**

The Title IX Coordinator or his/her designee will meet with the complainant and discuss fully the options afforded to him/her, the rights and responsibilities of both parties (including the right to be

accompanied during any College grievance proceeding and any related meeting by an advisor of their choice whose participation will be limited to consulting privately with the party accompanied by the advisor), the Hearing Panel process, the prohibition against retaliation, the need to preserve any relevant evidence or documentation in the case, and the availability of interim measures and remedies. At that time, a written complaint may be filed by the complainant, but a written complaint is not necessary.

If a complainant at that time requests that his/her identity remain confidential or that the College not pursue an investigation, the College must still discharge its responsibility to take steps to foster an educational environment that is free of discrimination and harassment for all members of the campus community. As a result, the College will seek to respect the complainant's request, but it must also take into account the seriousness of the alleged misconduct and threats to community safety, along with the respondent's rights for notification under federal and state law. If the College cannot abide by the complainant's requests, it will consult with the complainant and provide information about its chosen course of action. The Title IX Coordinator will make the final determination regarding the College's ability to comply with a request for confidentiality.

As soon as practicable after the initial meeting with the complainant, the individual accused of violating the Policy (the "respondent") will also be notified that a complaint has been made unless the College determines that notifying the respondent is not necessary or appropriate under the circumstances. The respondent will also be informed of the options available to him/her, the rights and responsibilities of both parties (including the right to be accompanied during any College grievance proceeding and any related meeting by an advisor of their choice whose participation will be limited to consulting privately with the party accompanied by the advisor), the Hearing Panel process, the prohibition against retaliation, the need to preserve any relevant evidence or documentation in the case, and the availability of interim measures and remedies.

The respondent may elect to accept responsibility for all or part of the conduct alleged by the complainant. In that case, the Title IX Coordinator or designee may continue their investigation in order to provide additional information that may be relevant in determining any appropriate sanctions. If the respondent does not accept responsibility, the investigation process, as described below, will begin.

### **Interim Measures**

Upon receipt of a report, the Title IX Coordinator and his/her designee will work with all parties involved in an alleged incident to undertake any appropriate interim measures to protect the safety of the campus community and will seek to provide remedies for the parties that address their safety and well-being. Remedies may include counseling services, no contact orders, provision of escorts and residence modifications, along with academic and campus work accommodations. In addition, the College may, at its discretion, impose an interim suspension or leave of absence in cases where the College believes there is risk of harm to others. Any such interim steps will be taken in a manner that minimizes the burden on the complainant to the extent possible. All parties will be informed that the College prohibits any retaliation against parties involved in reporting or witnessing allegations of sexual misconduct and that retaliation of that nature is grounds for disciplinary action.

## **Investigation**

Depending upon the nature of the alleged or suspected Policy violation and the willingness of the respondent to accept responsibility, the Title IX Coordinator will initiate and coordinate a Title IX investigation of a reported violation of the Policy as soon as practical, appointing one or more campus officials who have been trained to conduct investigations.

The College is committed to undertaking prompt, thorough, impartial and fair investigations and to treating all individuals with respect and with sensitivity. The investigation of any suspected or alleged violation of the Policy will be completed and a resolution arrived at within 60 days of the filing of a complaint or the date on which the College becomes aware of a suspected or alleged violation of the Policy unless the College determines that additional time is required. The College will provide the parties with periodic updates regarding the status of the process. Extenuating circumstances could require the process to extend beyond that time frame and the College will determine in its discretion if such circumstances exist.

The nature and extent of the investigation will vary depending upon the circumstances, including whether the parties are amenable to pursuing an informal resolution and the matter is eligible for informal resolution, as discussed below. As part of the investigation, the investigator(s) will seek to interview both the complainant and the respondent. To help ensure a prompt and thorough investigation, complainants are asked to provide as much information as possible, including the following:

- The name, department, and position of the person or persons allegedly causing the prohibited discrimination, harassment, or retaliation.
- A description of any relevant incident(s), including the date(s), location(s), and the presence of any witnesses.
- The alleged effect of the incident(s) on the complainant's opportunity to benefit from the College's programs or activities.
- The names of other individuals who might have relevant information about the alleged actions and/or have been subject to the same or similar acts of discrimination, harassment, or retaliation.
- Although it is not required, any steps the complainant has taken to try to stop the discrimination, harassment, or retaliation.
- Any other information the complainant believes to be relevant to the alleged discrimination, harassment, or retaliation.

The respondent is also expected to provide as much information as possible in connection with the investigation.

Upon conclusion of the investigation, the investigator(s) will produce a report that summarizes and analyzes the relevant facts and any supporting documentation (which may include statements by the parties, third-party witnesses, or others with information and any physical, written, or electronic or other evidence) and shall provide such report to the Title IX Coordinator. This investigation report will be shared with the parties and will be used in either an informal or formal resolution procedure, as appropriate and as outlined below.

### **Informal Resolution Procedure**

Allegations of sexual misconduct, including allegations of sexual assault or sexual violence, may not be resolved using an informal resolution procedure (i.e., mediation). However, other alleged violations of the Policy, including some allegations of sexual harassment, may be resolved using an informal resolution process overseen by one or more College representatives if (i) the College determines, in its discretion, that such a process would be appropriate; and (ii) all parties agree to participate.

The parties to any such informal process will not be required to deal directly with one another without the College's involvement. Instead, after an initial investigation of the complaint carried out by the appropriate staff members, the complainant and the Title IX Coordinator or other College official selected by the College may agree to attempt to resolve the complaint informally. The Title IX Coordinator and the complainant may agree to seek an informal resolution of the complaint by meeting with the respondent, maintaining anonymity if appropriate or possible. The Title IX Coordinator can also arrange for any current member of the College faculty, staff or student community to be asked to assist with the informal process by meeting with both parties separately or together.

At that time, the relevant College official will share the investigative report with both parties if such a report has been completed as of that time. A College official will discuss with the complainant the outcome of the steps taken through the informal procedures. If the complainant is satisfied, the informal procedure is completed and the resolution will be documented.

Any party may request that the informal resolution process be terminated at any time, in which case the formal resolution procedure would commence. In addition, any party can pursue formal resolution if he or she is dissatisfied with a proposed informal resolution. Finally, as described above, the College may elect to pursue a formal resolution procedure even if the complainant does not wish to bring the matter to a Hearing Panel.

### **Formal Resolution Grievance Panel Procedure**

#### **Notice of Hearing**

The Title IX Coordinator or his/her designee will provide any statements from the complainant and respondent along with the Investigation Report to the Chair of the Hearing Panel. Unless the Hearing Panel determines in its discretion that more time is required, any hearing will be held within 21 days of the completion of the Investigation Report and its submission to the Title IX Coordinator unless the College determines that additional time is required. Both parties will be

informed in writing of the date, time, and location of the hearing and will be informed of the names of persons serving on the Hearing Panel. The parties will be given at least 14 days advance notice of the hearing unless the Title IX Coordinator determines that less time is appropriate or required in a given situation. If the alleged victim of a sexual assault elects not to request or participate in a hearing, the College reserves the right to take the matter to a hearing, in which the College will be a party to the hearing.

Either party may request that the hearing be rescheduled at any time and must specify the reasons for the request. The Title IX Coordinator or his/her designee for the case will determine whether to grant the request.

Either party may ask that a member of the Hearing Panel be removed if the party believes that person has bias, conflict of interest or cannot be fair and impartial. These requests must be received in writing by the Title IX Coordinator or his/her designee within 3 days of notification of the hearing.

### **Composition of the Hearing Panel**

Hearings to address complaints alleging violations of the Policy by students will be conducted by a Hearing Panel, except that the Dean of Students or his or her designee may conduct a hearing in extraordinary circumstances if the Hearing Panel cannot reasonably be convened or if the College determines that an alternative process is appropriate under the circumstances. The Hearing Panel shall consist of three persons that are drawn from the Grievance Board, a pool of no fewer than 6 faculty members and staff members from the College community who have received training in College policies, the dynamics of sexual misconduct and other prohibited interpersonal misconduct, the determination of credibility, and the preponderance of the evidence standard. In addition to these three persons, the Hearing Panel will also have a Chair who will be selected from the Grievance Board and who will be a non-voting member of the Hearing Panel.

### **Prior to the Hearing**

The Title IX Coordinator or his/her designee will offer to meet individually with the parties to answer any questions and explain the process as soon as possible after issuing the notice of hearing.

Each party may choose to have an advisor of his or her choice accompany him or her to the hearing and any related meeting or proceeding, so long as the advisor does not have a conflict of interest based upon his or her involvement with carrying out the Investigation and Grievance Procedures set forth above. Such an advisor may speak privately to their advisee, but such an advisor may not present evidence, question witnesses, or otherwise participate directly in the hearing or related meeting. This advisor does not represent a party at the hearing and does not have an active voice during the proceedings, but can provide advice during the hearing or during adjournments and breaks.

### **Witness, Impact and Character Statements**

Each party may submit a list of witnesses to the Title IX Coordinator or his/her designee up to 7 days prior to the hearing date. Character witnesses called by either party may be allowed at the

Hearing Panel's discretion. If a party wishes to call as a witness an individual who was not interviewed in the course of the investigation, the party must provide in writing a rationale for including that witness. The Chair of the Hearing Panel, in consultation with the other members of the Hearing Panel, will determine whether that witness may be called, or will ask that the investigator interview the witness as well. If a witness cannot or feels that s/he should not appear during the hearing s/he must submit a short written explanation to the Title IX Coordinator at least 3 days prior to the hearing. The final approved witness list will be shared with the parties at least 2 days prior to the Hearing.

Both parties may prepare and present impact statements and letters attesting as to character in sealed envelopes to the Chair of the Hearing Panel at the outset of the hearing. These statements will be used solely by the Dean of Students for the purposes of determining any appropriate sanctions after the Hearing Panel concludes its deliberations.

## **Grievance Hearing**

### **Attendance**

Hearings will be closed to anyone who is not directly involved in the case as a party, advisor of the party's choice (as described above), Investigator, witness, Hearing Panel member, or other appropriate individual. The College recognizes that both parties have the right to engage legal representation at their own expense. Unless present as a party's advisor of choice, attorneys are not permitted to be present during a Hearing Panel proceeding. Both parties, however, may petition the Chair of the Hearing Panel for a recess during which to consult with their attorney by phone, e-mail, or other means if their attorney is not present as their advisor of choice. The College may at its discretion designate its own attorney to be present or otherwise available during proceedings before the Hearing Panel and provide legal counsel to the Chair and the Hearing Panel members. During the hearing, each party may present only witnesses who were named in the list distributed or otherwise approved by the Chair of the Hearing Panel in advance of the hearing. Witnesses will be present only during their period of testimony and questioning.

Either the complainant or the respondent may request to participate in the hearing through a method that limits or does not require physical presence in the hearing room. For instance, either party may participate using technology or they may request the use of partitions in the hearing room. Witnesses may also participate using technology. Such requests must be reviewed in advance by the Chair of the Hearing Panel to ensure that they do not compromise fairness and equity. The complainant and respondent will have equal access to information before and during the hearing and an equal opportunity to present witnesses and information at the hearing. The College will arrange for audio-recording the entire Hearing; this recording will be the property of the College and is not distributed to the parties. The Hearing Panel's deliberations will not be recorded.

### **Sequence of Hearing**

1. The hearing will begin with the Chair calling the hearing to order, explaining the process and providing an opportunity for all parties to ask procedural questions.

2. The Chair reminds the parties that the proceedings are confidential as required under FERPA and asks each person present to state their name and role for the record.

3. The investigator presents a summary of the information and evidence gained through the investigation process. The complainant will then ask questions of the investigator until there are no further questions. The respondent will then ask questions of the investigator until there are no further questions. The Hearing Panel may then ask questions of the investigator. The questioning will continue until both parties and the Hearing Panel have no further questions. The investigator then leaves the room.

4. The complainant may present his or her account of the events, followed by questions from the respondent. The respondent is not permitted to address the complainant directly, but may present written questions for the complainant to the Chair, who will determine whether the questions are relevant and appropriate and, if so, read them aloud for the complainant to respond. The Chair will have the discretion to deny questions that are inflammatory or otherwise not appropriate. The Hearing Panel may then ask questions of the complainant. The complainant will then present his or her witnesses, with each witness presentation to be followed by questions by the respondent. Questions to witnesses need not be in writing but the Chair retains discretion to determine relevancy and appropriateness of the questions asked. The Panel will then ask questions of each witness. After each witness' initial presentation and questioning, the Chair will query the parties and the Panel as to whether they have any further questions for that witness. Once the parties and the Panel have completed their questioning for a witness, the witness is escorted from the room but will remain available for additional questioning until released by the Chair.

5. The respondent may present his or her account of the events, and the same process will be followed as in (4) above.

6. Both the complainant and the respondent may make brief summary statements, in that order, or the Hearing Panel chair may read their written statements aloud. The Hearing Panel then may recall any party or witness for further questions. After the summary statements and the recall of witnesses are completed, the Chair will close the hearing and dismiss the parties and witnesses.

7. At the conclusion of the hearing, the Hearing Panel will meet in closed session to make a decision on the case by majority vote. College counsel may remain in the room but will neither vote nor participate in the deliberations. The Chair may participate in the deliberations but may not vote.

8. The Hearing Panel's decision will rest on whether or not the respondent was found in violation of the Policy, based solely on the evidence presented at the hearing. The Hearing Panel will use a preponderance-of-the-evidence standard (i.e., whether it is more likely than not that the respondent violated the Policy).

9. The Panel will notify the Dean of Students and Title IX Coordinator of its decision. As noted above, both parties have been permitted to provide impact statements and letters attesting to

character in sealed envelopes to the Chair of the Hearing Panel at the start of the Hearing Panel. These statements will be conveyed to the Dean of Students along with the Panel's decision.

10. To the greatest extent possible, the complainant and respondent will be notified contemporaneously/simultaneously of the outcome of the hearing by the Chair of the Hearing Panel within 24 hours of the conclusion of the Panel's deliberations.

### **Sanctions & Corrective Action**

Upon reviewing the Hearing Panel's decision and any impact or character statements submitted by the respondent and/or the complainant, and/or, upon receiving an election to accept responsibility, the Dean of Students will determine what, if any, sanctions will be imposed and will notify each party in writing of any sanctions and when they go into effect. Each party will be notified in writing by the Dean of Students within 4 days of the completion of the Dean's deliberations unless the Dean of Students determines that additional time is required. The Dean of Students will also provide a copy of his or her decision regarding sanctions to the Title IX Coordinator.

The College will take reasonable steps to prevent the recurrence of any violations of the Policy and to correct the discriminatory effects on the complainant (and others, if appropriate). The range of potential sanctions/corrective actions that may be imposed includes but is not limited to the following: written or verbal apology, discrimination or harassment education, verbal or written warning, probation, suspension, and dismissal from the College. When a student is found responsible for sexual assault, which is one form of prohibited sexual misconduct under this Policy, the following sanctioning guidelines will be utilized. In all cases, however, the sanctions assigned to a student found responsible will depend on the full context in which the offense takes place. For instance, repeat offenders can expect to be assigned more severe sanctions than if they did not have prior offenses. Offenders who commit multiple offenses in a single episode can expect to be assigned more severe sanctions than they would have been assigned had they committed fewer offenses. The presence of aggravating factors such as the use of force, the use of a weapon, the involvement of multiple perpetrators, intimidation or intentional incapacitation will also lead to more severe sanctions. These guidelines address standard sanctions. In some cases, additional sanctions may be assigned.

#### **Sexual Assault: Non-consensual Sexual Intercourse**

Sanctions for non-consensual sexual intercourse will normally range from multi-term suspensions to expulsion from the College.

#### **Sexual Assault: Attempted Sexual Intercourse**

Sanctions for attempted sexual intercourse will normally range from probation to expulsion.

#### **Sexual Assault: Touching**

Sanctions for non-consensual sexual touching will normally range from probation to expulsion.

In no event will the complainant in matters involving an alleged violation of the Policy that involves sex discrimination, sexual harassment, or other sexual misconduct be required to abide by a nondisclosure agreement that would prevent disclosure of the outcome. In instances where the College is unable to take disciplinary or other corrective action in response to a violation of this policy because a complainant insists on confidentiality or for some other reason, the College will nonetheless pursue other steps to limit the effects of the conduct at issue and prevent its recurrence.

### **Appeal Process**

Each party has the right to submit a written appeal to the Dean and Provost of the College within 10 days of being notified of the Hearing Panel's decision or of the Dean of Student's decision regarding sanctions, whichever comes later. Appeals may be filed on grounds of relevant, substantive and new information not available at the time of the hearing, alleged bias of the Chair or members of the Hearing Panel, material procedural error, or on the grounds of an excessively harsh or lenient sanction. Within 7 days of receiving the appeal, the Dean and Provost of the College or his/her designee will determine whether the grounds for appeal have been met and notify the parties. The party that did not initiate the appeal will have 7 days to submit a written response. Within 14 days of receiving this written response, (a) the appeal will be reviewed by a three person panel ("the Appeal Panel") consisting of the Dean and Provost of the College or his/her designee and two members of the Grievance Board who did not participate in the initial hearing; and (b) the Appeal Panel will notify the parties in writing of the outcome of the appeal.

The appeal is not a de novo review and will be based on the materials submitted by the parties and the record of the original hearing. If new and substantive evidence has arisen, the appeal panel can remand the case to the original hearing panel for reconsideration and a new determination. Both parties will be informed simultaneously/contemporaneously in writing of the outcome of any appeal within three days of the conclusion of the appeals review. Appeal decisions by the Appeal Panel are final.

### **Records Maintenance**

The College will maintain documentation and records regarding alleged violations of the Policy and their resolution in a manner that protects the confidentiality of the parties involved, complies with the Family Educational Rights and Privacy Act, and to the extent possible excludes personally identifiable information of victims of domestic violence, dating violence, and stalking.

The hearing audio-recording and evidence presented at the hearing will be maintained by the Title IX Coordinator and will be property of the College. If a student has been found responsible for violating the Policy, this finding remains a part of that student's conduct record.

### **Changes in this Policy**

The College reserves the right to make adjustments and changes in this policy at any time.

"Case" is defined as a glove compartment or console that completely encases the weapon or firearm and its ammunition, the trunk of the vehicle, or a weapon or firearm carrying box. The weapon or firearm may be removed only for the limited purpose of storage or retrieval from within the trunk of the vehicle. A weapon or firearm must be unloaded before removal from the vehicle. Any individuals arriving on campus with a licensed weapon or firearm who cannot store their weapon or firearm in their vehicle must immediately contact the Augustana College Police Department at 309-794-7711.

Additionally, any individual visiting campus found to violate this policy may be banned from campus. Students in violation of this policy will be subject to discipline, up to and including, but not limited to, suspension from Augustana College. An employee found to violate this policy will be subject to discipline, up to and including, but not limited to, immediate termination of employment.

Signs are posted at main building entrances informing that concealed firearms are prohibited. Signs are in accordance with the design approved by the Illinois State Police.

## **Violence Prevention**

While Augustana employs a dedicated group of public safety and police personnel, it is the job of each and every employee to assist in keeping our workplace and campus as safe as possible. Employees who receive or overhear any threatening communications from an employee or outside third party should report it to the Office of Police and Public Safety at once. Employees should not engage in either physical or verbal confrontation with a potentially violent individual. If an employee encounters an individual who is threatening immediate harm to an employee or visitor to our premises or to any worksite, contact our Office of Police and Public Safety at 309-794-7711 or an emergency agency, such as 911, immediately.

All reports of work-related threats will be kept confidential to every extent possible, investigated and documented. Employees are expected to report and cooperate with an investigation of any suspected and/or actual cases of workplace violence.

Violations of this policy, including an employee's failure to report or fully cooperate in the college's investigation, may result in disciplinary action, up to and including immediate termination.

## **Missing Student**

If a member of the college community has reason to believe that a student who resides in on-campus housing, as defined by the Clery Act, is missing, he or she should immediately notify the Augustana Office of Police and Public Safety at 309-794-7711 or the Dean of Students Office at 309-794-7533. The Office of Police and Public Safety will generate a missing person report and initiate an investigation. After investigating the missing person report, should the Office of Police and Public Safety determine that the student is missing and has been missing for more than 24 hours, Augustana College will notify the student's emergency contact no later than 24 hours after the student is determined to be missing. If the missing student is under the age of 18 and is not an emancipated individual, the Dean of Student's Office will notify the student's parent or legal guardian immediately after it is determined the student has been missing for more than 24 hours. In addition to registering an emergency contact, students residing in on-campus housing, as defined by the Clery Act, have the option to identify confidentially an individual to be contacted by Augustana College in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, Augustana College will notify that individual no later than 24 hours after the student is determined to be missing. Students who wish to identify a confidential contact can do so through the Dean of Students Office.

## **Fire safety**

*The following information is provided in response to the Higher Education Opportunity Act of 2008 (PL-110-315).*

Augustana College strives to provide a safe residential environment particularly when it comes to fire safety.

The college employs a full-time staff member whose primary responsibility is to repair and maintain life/safety equipment. All fire safety systems are inspected annually by an independent contractor hired for that purpose.

In recent years the college has not reported injuries or loss of life as the result of a fire. The most recent occurrence involving a fire in a residential facility occurred in 2011.

### **Recent reports**

We did not respond to any fires in 2016.

### **Fire Alarm Log**

A log of all fire alarms is maintained by the Police and Public Safety dispatchers. This log is located in the Dispatch Center of the Office of Police and Public Safety located in the lower level of Sorensen Hall, 639 – 38th Street.

## Fire safety training

Early in the fall term each residential facility conducts a fire drill to familiarize residents with the evacuation procedures specific to their residence. Fire safety and evacuation procedures are also reviewed at the first community meeting. A poster outlining emergency procedures is posted in every student room. Each fall, the fire department offers training in the use of fire extinguishers to members of the staff and faculty including members of the Residential Life staff. Residents are not allowed to possess any items that may be a fire safety hazard. Such items include, but are not limited to candles, incense, grills (gas or charcoal), flammable liquids and fireworks. Wickless candles for use with candle warmers are allowed. Fire hazards will be confiscated and disciplinary action. Tampering with fire alarms, fire extinguishers, sprinklers, security camera, exit signs, and emergency exit doors are a serious offense and could cause bodily harm or death if any emergency occurred and equipment was not in the intended place or condition. Fire and security equipment are in place for the safety of the community. Students are not allowed to interact with any safety equipment. Students who observe vandalism and who do not report it to Residential Life staff members may be considered an accomplice.

**INFORMATION TO CONSIDER FOLLOWING A REPORT OF SEXUAL ASSAULT, DATING VIOLENCE, DOMESTIC VIOLENCE, STALKING OR OTHER SEXUAL MISCONDUCT**

**First and foremost, focus on your well-being.** Augustana staff want to support you during this time, and the following information is intended to help you understand rights and options available to you. Know that what happened is not your fault. You are not responsible for the actions of others. No one has the right to hurt you or touch you against your will or without consent. No one deserves to be stalked. You should consider the following:

- a. Contacting a Rape Crisis Counselor at 1-309-797-1777. [Safe Path Survivor Resources](#) of the Quad Cities provides specialized support to Augustana students who are victims of sexual assault and domestic or dating violence, and stalking. The call will put you in touch with a Rape Crisis Counselor who can provide **confidential** personal support. This support can be provided on an emergency and on-going basis as a confidential advisor to you, upon your request.
- b. Contacting a Title IX Coordinator. The Title IX Coordinator can answer questions, connect you with appropriate resources, and conduct an investigation. Contact information for Title IX Coordinators is listed on the back of this page. You may reach out to any of the Title IX Coordinators listed. The Title IX Coordinator will also be able to explain the following:
  - The College's requirement to include reported violations in its Clery report and to submit an "incident report" to the campus community regarding the report; care will be taken to protect the identity of those involved.
  - The process for filing on-campus judicial charges, as well as contacting local law enforcement.
  - Obtaining accommodations to academic requirements such as class attendance, class schedules, as well as changes to residential, dining, working, and transportation situations. Other accommodations such as "no-contact orders" will also be discussed and considered. These accommodations are available for you to request regardless of your decision to pursue disciplinary action, whether on or off campus.
  - Explain any other resources that might be available to you and help connect you with the resources you request, such as on or off-campus health and mental health services, counseling, legal assistance or other advocacy services, visa or immigration assistance, financial aid assistance, etc.
  - Explain to you how confidentiality works under the College's policies and procedures.
  - Provide you with this written summary of your rights and options.
- c. Meeting with one of Augustana College's counselors. All members of our counseling staff, as well as college pastors, are **confidential resources** for you on campus. This means that you may talk with them confidentially at any time and they will not share your conversation with others on campus. The counselors can also help you understand the options available to you. Confidential advisors from Safe Path Survivor Resources are also available to you, and can provide emergency and on-going support to you confidentially.
- d. Going to the hospital for treatment. In addition to making sure that you have not been injured, the hospital may suggest a "rape kit", which is a process designed to collect evidence after a sexual assault has occurred.
- e. Reporting the incident to the Rock Island Police Department. A detective will speak with you about the incident and collect evidence. This could lead to the filing of criminal charges, but does not have to. The decision of notifying law enforcement authorities is yours. An Augustana Police/Public Safety officer will assist you in notifying the Rock Island Police if you request this.
- f. Making a report to Augustana Police/Public Safety (this may be done in conjunction with notifying the Rock Island Police Department). If you feel your safety is at risk, an Augustana Police/Public Safety officer will take steps to minimize the danger.
- g. Preserve Evidence. Evidence of sexual assault, dating violence, domestic violence, or stalking should be preserved as soon as possible, even if you are unsure about reporting to the College or filing criminal charges.

**Please refer to the list of campus resources provided on the back of this page**

If you believe you are a victim of sexual assault, sex discrimination, or any other behaviors prohibited by the Policy Against Sex Discrimination, or if you have questions about the policy, contact a Title IX Coordinator.
