

Name index to books on Swedes in Washington

Index compiled by Kate Buckingham, Class of 2010 and Andreas Henninger, Class of 2009

Book Title	Author	Region	Date Published	Code #
Washington och Dess Svenska Befolkning (Washington and its Swedish Population)	Skarstedt, Ernst	WA	1908	109

How to Read the Index

Below is an index of names that Swenson Center staff compiled from the above books. The Reference number begins with the book code, followed by the page number. Request the book or photocopies you need through your home library's interlibrary loan department.

Tips on Name and Place Spellings

Spellings are shown as they are in the books, even if they have changed over the years. The spellings of Swedish place names in these books were sometimes old spellings, phonetic, or even erroneous. Remember to look for Carlson starting with both "C" and "K." "V" & "W" are also interchangeable, as are sometimes "S" and "Z." Some parish names beginning with "V" used to start with a silent "H," so you might find Vetlanda under Hvetlanda or even Hwetlanda. Swedish vowels å, ä, and ö fall at the end of the alphabet, but our database does not sort them that way, so look for your Åbergs with "A" instead of after "Z."

How to Search

Use CTRL+F to search for specific text (Mac users use Apple+F). Or, use your "Page Down" key to browse all of the names.

County or län Abbreviations

These abbreviations are shown in parentheses after the Swedish birthplaces. A = City of Stockholm, B = Stockholms län (excludes the city), C = Uppsala län, D = Södermanlands län, E = östergötlands län, F = Jönköpings län, G = Kronobergs län, H = Kalmar län, I = Gotlands län, K = Blekinge län, L = Kristianstads län, M = Malmöhus län, N = Hallands län, O = Göteborgs och Bohus län, P = älvborgs län, R = Skaraborgs län, S = Värmlands län, T = örebro län, U = Västmanlands län, W = Kopparbergs län, X = Gävleborgs län, Y = Västernorrlands län, Z = Jämtlands län, AC = Västerbottens län, BD = Norrbottens län, OA = Göteborg City
