Please attach a separate sheet(s) with your answers to the first two questions when you turn in your Augie Choice application, and please answer the reflect question at the end of your completed Augie Choice-funded experience. Email your reflection to bethford@augustana.edu no later than five weeks after experience is completed.

Your Program

Describe the program. What is your role? What will you do? What will a typical day look like? Who will be working with you? How will your supervisor contribute to your learning? How will the experience engage the community and/or apply to your studies?

Your Learning Goals

Describe your interest in this program. What do you hope to learn from this experience? Specifically: How does the experience connect to your field of study or with your Augustana education overall? In what ways do you see your planned program connecting with the Augustana Student Learning Outcomes available at [https://www.augustana.edu/Documents/Augustana_Student_Outcomes\(0\).pdf](https://www.augustana.edu/Documents/Augustana_Student_Outcomes(0).pdf) that all students are expected to achieve as graduates of the college? (Note: any one experience may connect to one or more learning outcomes.)

Reflect

An important part of any learning experience is reflection. Upon completion of your program, you are expected to write a short reflective essay that addresses the following: What have you learned about yourself and about the area in which you were engaged? Utilizing the Augustana Student Learning Outcomes, please discuss how your Augie Choice experience (1) overlaps with what you are learning in your academic studies, (2) has helped you meet your expectations for growth and learning, and (3) may influence your future academic and professional direction.

Budget

List how the funds will be allocated in the program. Include any travel, travel documents, food, housing, research, books/equipment, stipend or incentive expenses, as well as consultant/conference fees and presentation materials. Please complete a budget narrative explaining the details of this budget on the back of the last page of this application. **Students must submit receipts for all purchases in excess of \$50 to the director of Augie Choice.**
