

To access **Nexis Uni** from off-campus, you must first register (create an account) while on campus.

1. Access **Nexis Uni** through the Augustana College library website (choose "Databases A-Z" from the drop-down menu at the bottom).
2. Click **Sign In / Register** in the top right.
3. Click **Create a profile now** on the right.
4. Enter your name and your **Augustana email address**.
5. Complete the **sign-in profile**.
6. After the username and password you have entered is verified, it will become active.

Keeping your access active: In order to keep access active, users are required to sign in from an on-campus computer or device every six months to maintain authorization.
