

Augustana College
Student Consent Form – Sharing Course Work

This form requests your consent to have your work possibly included in a teaching portfolio.

I will randomly select several students whose work will be copied and included in an archive of student work that I keep for assessment of this course and for departmental and college-wide programs. This archive is important for our continued reflection on how well students are learning in our courses, in our programs and overall here at Augustana. Once the course portfolio is completed, it will be used by me and other teachers and may also be made available to a wider audience of professors on a public web site on teaching and learning in higher education.

There is only a small chance your work will be randomly chosen for inclusion in this portfolio for any assignment, but I ask all students for their permission should that be the case. Your work will not be included if you do not give consent. Note that if you choose to allow your work to be included, you have the choice to remain anonymous or have your name be part of the work.

Please check the following designated purposes (if any) to which you give your consent:

_____ I am willing to have copies of my coursework available so later students can use it for preparation.

_____ I am willing to have copies of my coursework included in my professor's course portfolio.

_____ I am willing to have copies of my coursework included in the public web site.

Please check one of the following:

_____ I wish to have my name remain on any work that is used.

_____ I wish to have my name removed on any work that is used.

Additional restrictions on the use of my texts (please specify):

Print Name _____ Date _____

Phone Number (_____) _____ Email _____@augustana.edu

By signing below you give your permission that work you produce for this course may be used with the restrictions and for the purposes you indicated above. You understand that your grade is *NOT* connected in any way to your participation in this project, and I will not receive the list of students who have given permission to have their work shared until after I have turned in the grades for the course. Your anonymity will be maintained unless you designate otherwise. Finally, you understand that you are *free to withdraw consent at any time*, now or in the future, *without being penalized*. Should you elect to withdraw your consent, please provide a signed statement indicating your request. Verbal or electronic consent withdrawals are not effective.
