Details about Incidents of Sexual Assault

The data below are from students who indicated that they had been sexually assaulted. We asked students who had experienced one or more sexual assaults to describe, in detail, one assault. Please note, because the majority of victims of sexual assault experienced more than one assault, this information pertains only to the assault the victims chose to describe.

Details about Incidents of Sexual Assault

The data below are from students who indicated that they had been sexually assaulted. We asked students who had experienced one or more sexual assaults to describe, in detail, one assault. Please note, because the majority of victims of sexual assault experienced more than one assault, this information pertains only to the assault the victims chose to describe.
