Ann Perreau

639 38th Street
Rock Island, IL 61201
309-794-8935
annperreau@augustana.edu

EDUCATION

Doctor of Philosophy in Speech and Hearing Science, University of Iowa, awarded May, 2011
- Dissertation: "The contribution of a frequency-compression hearing aid to contralateral cochlear implant use", Advisors: Ruth Bentler & Richard Tyler

Master of Arts in Audiology, University of Iowa, awarded May, 2004
- Thesis Project: "High-frequency tympanometry in newborns", Advisor: Lenore Holte

Bachelor of Arts in Speech and Hearing Science, University of Iowa, awarded May, 2002
- Graduated with Honors and Distinction

ACCREDITATIONS

2011-Present	Illinois Licensure, Audiology
2005-Present	CCC, Audiology, American Speech-Language-Hearing Association
2005-2013, 2021-Present	Iowa Licensure, Audiology & Hearing Aid Dispenser

PROFESSIONAL EXPERIENCE

5/2025-Present Department of Communication Sciences and Disorders, Augustana College
Professor
- Teaching and mentoring undergraduate and graduate MS-SLP students
- Managing an audiology clinic, providing audiological services and supervising students
- Research on tinnitus, hyperacusis, and subjective outcomes for patients with hearing loss

8/2023-5/2026 Department of Communication Sciences and Disorders, Augustana College
Undergraduate Program Director
- Mentoring faculty, conducting department assessment, leading department meetings

8/2017-2025 Department of Communication Sciences and Disorders, Augustana College
Associate Professor and Audiology Clinic Coordinator

8/2011-2017 Department of Communication Sciences and Disorders, Augustana College
Assistant Professor

5/2005-6/2011 Department of Otolaryngology, University of Iowa Hospitals and Clinics
Research Audiologist, Adult Cochlear Implant Program

5/2004-5/2005 Department of Otolaryngology, University of Iowa Hospitals and Clinics
Clinical Fellowship Year, Hearing aids and Diagnostic Audiology

COURSES TAUGHT

2012-2014, 2016-26	Instructor, CSD 315: **Audiology** Augustana College, Department of Communication Sciences and Disorders
2021-2023	Instructor, SLP 546: **Advanced Audiology** Augustana College, Department of Communication Sciences and Disorders
2021-2025	University of Iowa, Department of Communication Sciences and Disorders Guest Lecturer: **Advanced Clinical Topics, Tinnitus and Hyperacusis seminar**
2023	Ball State University Guest Lecturer: **Tinnitus Assessment and Management**
2019-2022	Instructor, CSD 480: **Research Methods** Augustana College, Department of Communication Sciences and Disorders
2010-2022	Instructor, CSD 210: **Anatomy, Physiology, and Science of Hearing** Augustana College, Department of Communication Sciences and Disorders
2022	Workshop on Tinnitus Assessment and Management, Hackensack Audiology & Hearing Aid Associates, Hackensack, NJ
2022	Louisiana State University Health Sciences Center – New Orleans Guest Lecturer: **Counseling the Tinnitus Patient**
2018	Lecturer, **Music Apps, Sound recording, and Hearing** University of Iowa, Department of Communication Sciences and Disorders
2012, 2014-17	Instructor, CSD 440-04: **Neurosciences for Communication Sciences & Disorders** Augustana College, Department of Communication Sciences and Disorders
2012-2020	Instructor and student project mentor, CSD 490: **Senior Inquiry** Augustana College, Department of Communication Sciences and Disorders
